(a) With the approval of the President, the Secretary of the Treasury may borrow on the credit of the United States Government amounts necessary for expenditures authorized by law and may issue bonds of the Government for the amounts borrowed and may buy, redeem, and make refunds under section 3111 of this title. The Secretary may issue bonds authorized by this section to the public and to Government accounts at any annual interest rate and prescribe conditions under section 3121 of this title.

(b) The Secretary shall offer the bonds authorized under this section first as a popular loan under regulations of the Secretary that allow the people of the United States as nearly as possible an equal opportunity to participate in subscribing to the offered bonds. However, the bonds may be offered in a way other than as a popular loan when the Secretary decides the other way is in the public interest.

(c)(1) When the Secretary decides it is in the public interest in making a bond offering under this section, the Secretary may—

(A) make full allotments on receiving applications for smaller amounts of bonds to subscribers applying before the closing date the Secretary sets for filing applications;

(B) reject or reduce allotments on receiving applications filed after the closing date or for larger amounts;

(C) reject or reduce allotments on receiving applications from incorporated banks and

trust companies for their own account and make full allotments or increase allotments to other subscribers; and

(2) The Secretary shall prescribe regulations applying to all popular loan subscribers similarly situated governing a reduction or increase of an allotment under paragraph (1) of this subsection.

(d) The Secretary may make special arrangements for subscriptions from members of the armed forces. However, bonds issued to those members must be the same as other bonds of the same issue.

(e) The Secretary may dispose of any part of a bond offering not taken and may prescribe the price and way of disposition.

(A) owners of savings bonds may keep the bonds after maturity or after a period beyond maturity during which the bonds have earned interest and continue to earn interest at rates consistent with paragraph (1) of this subsection; and

(B) savings bonds earning a different rate of interest before the regulations are prescribed shall earn a rate of interest consistent with paragraph (1).

(c) The Secretary may prescribe for savings bonds and savings certificates issued under this section—

(1) the form and amount of an issue and series;

(2) the way in which they will be issued;

(3) the conditions, including restrictions on transfer, to which they will be subject;

(4) conditions governing their redemption;

(2) in the usual course of business accepts, subject to withdrawal, money for deposit or the purchase of shares;

However, a check may become a bond only if the claim for a refund is filed by the last day prescribed by law for filing the return (determined without any extensions) for the taxable year for which the refund is made. The Secretary may prescribe the time and way in which the check becomes a bond.

(2) A bond issued under this subsection is deemed to be a series E bond issued under this section, except that the bond shall bear an issue date of the first day of the first month beginning after the close of the taxable year for which the bond is issued. The Secretary also may provide that a bond issued to joint payees may be redeemed by either payee alone.

(a) The Secretary of the Treasury may issue tax and loss bonds of the United States Government and may buy, redeem, and make refunds under section 3111 of this title. SUBCHAPTER II—ADMINISTRATIVE

§ 3121. Procedure

(a) In issuing obligations under sections 3102-3104 of this title, the Secretary of the Treasury may prescribe—

(1) whether an obligation is to be issued on an interest-bearing basis, a discount basis, or an interest-bearing and discount basis;

(2) regulations on the conditions under which the obligation will be offered for sale, including whether it will be offered for sale on a competitive or other basis;

(3) the offering price and interest rate;

(4) the method of computing the interest rate;

(5) the dates for paying principal and interest;

(6) the form and denominations of the obligations; and

(7) other conditions.

(b)(1) Under conditions prescribed by the Secretary, an obligation issued under this chapter and redeemable on demand of the owner or holder may be used to pay the United States Government for taxes imposed by it.

(2) An obligation of the Government issued after March 3, 1971, under law may not be redeemed before its maturity to pay a tax imposed by the Government in an amount more than the fair market value of the obligation at the time of its redemption. This paragraph does not apply to a Treasury bill issued under section 3104 of this title.

(c) Under conditions prescribed by the Secretary, an obligation authorized by this chapter may be issued in exchange for an obligation of an agency whose principal and interest are unconditionally guaranteed by the Government at or before maturity.

(d) Under conditions prescribed by the Secretary, the Secretary may issue registered bonds in exchange for and instead of coupon bonds that have been or may be issued. The registered bonds shall be similar in all respects to the registered bonds issued under a law authorizing the issue of coupon bonds offered for exchange.

(e) A decision of the Secretary about an issue of obligations under sections 3102-3104 of this title is final.

(f) The Secretary may accept voluntary services in carrying out the sale of public debt obligations.

(g)(1) In this subsection, "registration-required obligation" means an obligation except an obligation—

- (A) not of a type offered to the public;
- (B) having a maturity (at issue) of not more than one year; or
- (C) described in paragraph (2) of this subsection.

(2) An obligation is not a registration-required obligation if—

(A) there are arrangements reasonably designed to ensure that the obligation will be sold (or resold in connection with the original issue) only to a person that is not a United States person; and

(B) for an obligation not in registered form—

- (i) interest on the obligation is payable only outside the United States and its territories and possessions; and
- (ii) a statement is on the face of the obligation that a United States person holding the obligation is subject to limitations under the United States income tax laws.

(3) Every registration-required obligation of the Government shall be in registered form. A book entry obligation is deemed to be in registered form if the right to principal and stated interest on the obligation may be transferred only through a book entry consistent with regulations of the Secretary.

(4) The Secretary shall prescribe regulations necessary to carry out this subsection when there is a nominee.

(h)(1) The Secretary shall prescribe by regulation standards for the safeguarding and use of obligations issued under this chapter, and obligations otherwise issued or guaranteed as to principal or interest by the United States. Such regulations shall apply only to a depository institution that is not a government securities broker or a government securities dealer and that holds such obligations as fiduciary, custodian, or otherwise for the account of a customer and not for its own account. Such regulations shall provide for the adequate segregation of obligations so held, including obligations which are purchased or sold subject to resale or repurchase.

(2) Violation of a regulation prescribed under paragraph (1) shall constitute adequate basis for the issuance of an order under section 5239(a) or (b) of the Revised Statutes (12 U.S.C. 93(a) or (b)), section 8(b) or 8(c) of the Federal Deposit Insurance Act, section 5(d)(2) or 5(d)(3)¹ of the Home Owners' Loan Act of 1933, section 407(e) or 407(f)¹ of the National Housing Act, or section 206(e) or 206(f) of the Federal Credit Union Act. Such an order may be issued with respect to a depository institution by its appropriate regulatory agency and with respect to a federally insured credit union by the National Credit Union Administration Board.

(3) Nothing in this subsection shall be construed to affect in any way the powers of such agencies under any other provision of law.

(4) The Secretary shall, prior to adopting regulations under this subsection, determine with respect to each appropriate regulatory agency and the National Credit Union Administration Board, whether its rules and standards adequately meet the purposes of regulations to be

promulgated under this subsection, and if the Secretary so determines, shall exempt any depository institution subject to such rules or standards from the regulations promulgated under this subsection.

(5) As used in this subsection—

(A) “depository institution” has the meaning stated in clauses (i) through (vi) of section 19(b)(1)(A) of the Federal Reserve Act and also includes a foreign bank, an agency or branch of a foreign bank, and a commercial lending company owned or controlled by a foreign bank (as such terms are defined in the International Banking Act of 1978).

(B) “government securities broker” has the meaning prescribed in section 3(a)(43) of the Securities Exchange Act of 1934.

(C) “government securities dealer” has the meaning prescribed in section 3(a)(44) of the Securities Exchange Act of 1934.

(D) “appropriate regulatory agency” has the meaning prescribed in section 3(a)(34)(G) of the Securities Exchange Act of 1934.

The words “officer or employee” are substituted for “official or agency” for clarity and consistency with other titles of the United States Code. The word “Government” is added for consistency. The words “section 1005 of Appendix to title 50” are omitted because the section was repealed by section 8(a) of the Act of Sept. 6, 1966 (Pub. L. 89-554, 80 Stat. 651). The words “or by any other” are omitted as surplus. The words “or by the Secretary of the Army or the Secretary of the Navy” are omitted because of 10:ch. 75. The word “official” is substituted for “officer” for consistency. The words “bonds and other” are omitted as surplus. The words “Secretary of the Treasury” are substituted for “Treasury Department” for accuracy and consistency.

§ 3129. Appropriation to pay expenses

(a) Amounts to pay necessary expenses (including rent) for an issue of obligations authorized under this chapter are appropriated to the Secretary of the Treasury. However, the amount appropriated under this section may not be more than—

- (1) .2 percent of the amount of bonds and notes authorized under this chapter;
- (2) .1 percent of the amount of certificates of indebtedness authorized under section 3104 of this title; and
- (3) .1 percent of the amount of certificates of indebtedness authorized under the First Liberty Bond Act.

(b) An appropriation under this section is available for obligation only through the end of the fiscal year after the fiscal year in which the issue was made. During a period for which an appropriation for a specified amount is made for expenses for which this section makes an appropriation for an unspecified amount, only the appropriation for the specified amount is available for obligation.

1984 ACT (Pub. L. 98-216)

Section 3618 (1st sentence related to non-military deposits) of the Revised Statutes inadvertently was omitted as a source credit for 31:3302. Table 2A of H. Rep. 97-651 (p. 298) states that the sentence was omitted as superseded by various sections of title 10. Title 10 supersedes the sentence only as it applies to military deposits. However, the language of section 3618 (1st sentence related to non-military deposits) is subsumed in the broader language of section 3617 of the Revised Statutes, the source credit for 31:3302(b). Therefore, while section 3618 (1st sentence related to non-military deposits) should be a source credit for 31:3302(b), it is not necessary that the language of the sentence be restated.

		Exec. Order No. 6728, May 29, 1934.

The section uses the defined term “executive agency” in section 102 of the revised title because the source provisions of this section are from a reorganization plan and executive orders that apply only to departments, agencies, and instrumentalities of the executive branch of the United States Government.

In subsections (a) and (b), the words “Secretary of the Treasury” and “Secretary” are substituted for references to the Division of Disbursement and a Chief Disbursing Officer because of the source provisions restated in section 321(c) of the revised title. The words “public money” are substituted for “moneys of the United States” for consistency with the other source provisions restated in the section and for consistency in the chapter.

Subsection (a) is substituted for section 4(1st paragraph) of Executive Order No. 6166 to omit executed words.

In subsection (b), the words “may require” and “as the interests of” are omitted as unnecessary. The words “to establish local offices” are omitted because of the authority of the Secretary of the Treasury as the head of the Department of the Treasury and the authority of the Secretary under section 321 of the revised title. The text of section 4(last paragraph) is omitted as superseded by section 3325 of the revised title.

In subsection (c), the text of 31:492-1(1st sentence) is applied only to the listed agencies because of subsection (a) and Executive Order 6728. The text of 31:492-1(last sentence) is omitted as superseded by section 2 of Reorganization Plan No. 18 of 1950 (eff. July 1, 1950, 64 Stat. 1270) and by 40:490. In clause (1), the words after “disbursement by United States marshals” and before the last proviso in section 3 of Reorganization Plan No. 4 of 1940 (eff. June 30, 1940, 54 Stat. 1234) are omitted as unnecessary because of 28:571 and sections 3512(a)-(c) and 3513(a) of the revised title. In clause (2), the word “pay” is substituted for “salaries” in Executive Order No. 6728 for consistency in the revised title and with other titles of the United States Code. The words “including the Marine Corps” are omitted as being included in “military departments”. The words “Panama Canal” are omitted because of the Panama Canal Treaty of 1977. The first proviso is omitted as unnecessary because of sections 3512 and 3513 of the revised title. Section 4 of Reorganization Plan No. 4 of 1940 is omitted because (1) the Post Office Department was abolished by the 1970 restatement of title 39, with all authority of the former Postmaster General being placed in the new United States Postal Service, (2) under 39:410 and 3604, the Postal Service and the Postal Rate Commission were exempt from all provisions of law related to budget and funds, and (3) the Postal Savings System and its Board of Trustees were abolished under section 5 of the Act of March 28, 1942 (ch. 205, 56 Stat. 189).

AMENDMENTS

1996—Subsec. (c)(2). Pub. L. 104-106 added par. (2) and struck out former par. (2) which read as follows: “The Department of Defense (except for disbursements for departmental pay and expenses in the District of Columbia).”

Subsec. (c)(3). Pub. L. 104-201 added par. (3).

1994—Subsec. (c)(2). Pub. L. 103-355 substituted “The Department of Defense” for “military departments of the Department of Defense”.

TRANSFER OF FUNCTIONS

For transfer of authorities, functions, personnel, and assets of the Coast Guard, including the authorities and functions of the Secretary of Transportation relating thereto, to the Department of Homeland Security, and for treatment of related references, see sections 468(b), 551(d), 552(d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6.

3322(b)	31:82g(related to disbursing officers).	June 1, 1942, ch. 320(related to disbursing officers), 56 Stat. 306.

In the section, the words “disbursing official” are substituted for “disbursing officer” for consistency in the revised title.

In subsection (a), before clause (1), the words “Secretary of the Treasury” are substituted for “Treasurer

of the United States” because of the source provisions restated in section 321(c) of the revised title. The words “or an assistant treasurer of the United States” in section 3620(a) of the Revised Statutes are omitted as obsolete because of the 1st–4th pars. under the heading “Independent Treasury” in the Act of May 29, 1920 (ch. 214, 41 Stat. 654). In clause (1), the words “as required by section 3302 of this title” are substituted for “with the Treasurer or some one of the assistant treasurers of the United States (subsequently changed to ‘or with one of the depositories of the United States mentioned in section 476 of this title’)” because of 31:476. In clause (2), the words “in pursuance of law” are omitted as surplus. The text of 31:492(a)(last sentence) is omitted because of section 3323(a) of the revised title.

1984 ACT

This is necessary because section 3620(a) (last sentence) of the Revised Statutes inadvertently was omitted from the codification of title 31 by section 1 of the Act of September 13, 1982 (Pub. L. 97–258, 96 Stat. 877).

In subsection (a), before clause (1), the words “Except as provided in subsection (b) of this section” are added because of the restatement.

In subsection (b), before clause (1), the word “however” is omitted as surplus. The words “treasurer or” are omitted as obsolete because of the 1st–4th pars. under the heading “Independent Treasury” in the Act of May 29, 1920 (ch. 214, 41 Stat. 654). In clause (2), the words “rules and” are omitted as surplus.

1996—Subsec. (a). Pub. L. 104–134 inserted “section 3716 and section 3720A of this title and” after “Except as provided in” in introductory provisions.

(b) When the Secretary of the Treasury is satisfied that an original check is lost, stolen, destroyed in any part, or is so defaced that the value to the owner or holder is impaired, the Secretary may issue a substitute check to the owner or holder of the original check. Except as provided in subsection (c) or (f) of this section, the substitute check is payable from the amount available to pay the original check.

(c) When the Secretary is satisfied that an original check drawn on a depository in a foreign country or a territory or possession of the United States is lost, stolen, destroyed in part, or is so defaced that its value to the owner or holder is impaired, the drawer of the original check (or another official designated by the Secretary with the approval of the head of the agency on whose behalf the original check was issued) may issue to the owner or holder of the check a substitute check. The drawer or official shall issue the substitute check by the last day of the fiscal year after the fiscal year in which the original check was issued—

(e) Before issuing a substitute check under this section, the Secretary may require the owner or holder of the original check to agree to indemnify the Government with security in the form and amount the Secretary decides is necessary.

(f) The Secretary may waive any provision of this section as may be necessary to ensure that claimants receive timely payments.

- (2) received under subsection (d) of this section.

(b) The Secretary of the Treasury shall pay from the Fund to a payee or special endorsee of a check drawn on the Treasury or a depository designated by the Secretary the amount of the check without interest if in the determination of the Secretary the payee or special endorsee¹ establishes that—

§ 3511. Prescribing accounting requirements and developing accounting systems

(a) The Comptroller General shall prescribe the accounting principles, standards, and requirements that the head of each executive agency shall observe. (b) Requirements prescribed under subsection (a) of this section shall—

(1) provide for suitable integration between the accounting process of each executive agency and the accounting of the Department of the Treasury;

(2) allow the head of each agency to carry out section 3512 of this title; and

(3) provide a method of—

(A) integrated accounting for the United States Government;

(B) complete disclosure of the results of the financial operations of each agency and the Government; and

(C) financial information and control the President and Congress require to carry out their responsibilities.

(c) Consistent with subsections (a) and (b) of this section—

(1) the authority of the Comptroller General continues under section 121(b) of title 40; and

HISTORICAL AND REVISION NOTES

Revised Section	Source (U.S. Code)	Source (Statutes at Large)

3511(b)	31:66(a)(1st sentence words after last comma, 2d sentence).	
3511(c)	31:49	June 10, 1921, ch. 18, §309, 42 Stat. 25.
3511(d)	31:66(a)(3d, last sentences). 31:65(f).	

In the section, the words “the head of” are added for consistency in the revised title and with other titles of the United States Code.

In subsection (a), the words “of the United States” are omitted as surplus. The word “President” is substituted for “Director of the Office of Management and Budget” because sections 101 and 102(a) of Reorganization Plan No. 2 of 1970 (eff. July 1, 1970, 84 Stat. 2085) redesignated the Bureau of the Budget as the Office of Management and Budget and transferred all functions of the Bureau to the President.

In subsection (b)(3), the words “as a whole” and “respective” are omitted as surplus.

Subsection (c)(2) is substituted for 31:49 and the words “and, to the extent he deems necessary, the authority vested in him by section 49 of this title” in 31:66(a) for clarity and consistency. H. Rept. 2556, 81st Cong. (1950), states that the Comptroller General will be able to prescribe appropriation and fund accounting systems under 31:49 “in terms of principles, standards and related requirements rather than in terms of detailed forms and procedures”. The reference to the judicial branch covers authority that the Comptroller General was given under 31:49 that applies to departments and establishments except the Supreme Court that was not superseded by the source provisions restated in subsection (a) of this section.

AMENDMENTS

2002—Subsec. (c)(1). Pub. L. 107-217 substituted “section 121(b) of title 40” for “section 205(b) of the Federal Property and Administrative Services Act of 1949 (40 U.S.C. 486(b))”.

ADOPTION OF CAPITAL ACCOUNTING STANDARDS

Pub. L. 101-576, title III, §307, Nov. 15, 1990, 104 Stat. 2855, provided that: “No capital accounting standard or principle, including any human capital standard or principle, shall be adopted for use in an executive department or agency until such standard has been reported to the Congress and a period of 45 days of continuous session of the Congress has expired.”

(1) complete disclosure of the financial results of the activities of the agency;

(2) adequate financial information the agency needs for management purposes;

(3) effective control over, and accountability for, assets for which the agency is responsible, including internal audit;

(4) reliable accounting results that will be the basis for—

(A) preparing and supporting the budget requests of the agency;

(B) controlling the carrying out of the agency budget; and

(C) providing financial information the President requires under section 1104(e) of this title; and

(5) suitable integration of the accounting of the agency with the central accounting and reporting responsibilities of the Secretary of the Treasury under section 3513 of this title.

(c)(1) To ensure compliance with subsection (b)(3) of this section and consistent with standards the Comptroller General prescribes, the head of each executive agency shall establish internal accounting and administrative controls that reasonably ensure that—

For termination, effective May 15, 2000, of provisions of law requiring submittal to Congress of any annual, semiannual, or other regular periodic report listed in House Document No. 103-7 (in which the requirement to submit statements and reports to Congress under subsection (d)(3) of this section is listed on page 151), see section 3003 of Pub. FEDERAL FINANCIAL MANAGEMENT IMPROVEMENT

Section 101(f) [title VIII] of Pub. L. 104-208 provided that:

“SEC. 801. SHORT TITLE[.]

“This title may be cited as the ‘Federal Financial Management Improvement Act of 1996.’

“SEC. 802. FINDINGS AND PURPOSES.

“(a) FINDINGS.—The Congress finds the following:

“(1) Much effort has been devoted to strengthening Federal internal accounting controls in the past. Although progress has been made in recent years, Federal accounting standards have not been uniformly implemented in financial management systems for agencies.

“(2) Federal financial management continues to be seriously deficient, and Federal financial management and fiscal practices have failed to—

“(A) identify costs fully;

“(B) reflect the total liabilities of congressional actions; and

“(C) accurately report the financial condition of the Federal Government.

“(3) Current Federal accounting practices do not accurately report financial results of the Federal Government or the full costs of programs and activities. The continued use of these practices undermines the Government’s ability to provide credible and reliable financial data and encourages already widespread Government waste, and will not assist in achieving a balanced budget.

“(4) Waste and inefficiency in the Federal Government undermine the confidence of the American people in the government and reduce the federal Government’s ability to address vital public needs adequately.

“(5) To rebuild the accountability and credibility of the Federal Government, and restore public confidence in the Federal Government, agencies must incorporate accounting standards and reporting objectives established for the Federal Government into their financial management systems so that all the assets and liabilities, revenues, and expenditures or expenses, and the full costs of programs and activities of the Federal Government can be consistently and accurately recorded, monitored, and uniformly reported throughout the Federal Government.

“(6) Since its establishment in October 1990, the Federal Accounting Standards Advisory Board (hereinafter referred to as the ‘FASAB’) has made substantial progress toward developing and recommending a comprehensive set of accounting concepts and standards for the Federal Government. When the accounting concepts and standards developed by FASAB are incorporated into Federal financial management systems, agencies will be able to provide cost and financial information that will assist the Congress and financial managers to evaluate the cost and performance of Federal programs and activities, and will therefore provide important information that has been lacking, but is needed for improved decision making by financial managers and the Congress.

“(7) The development of financial management systems with the capacity to support these standards and concepts will, over the long term, improve Federal financial management.

“(b) PURPOSE[.]—The purposes of this Act [title] are to—

“(1) provide for consistency of accounting by an agency from one fiscal year to the next, and uniform accounting standards throughout the Federal Government;

“(2) require Federal financial management systems to support full disclosure of Federal financial data, including the full costs of Federal programs and activities, to the citizens, the Congress, the President, and agency management, so that programs and activities can be considered based on their full costs and merits;

“(3) increase the accountability and credibility of federal [sic] financial management;

“(4) improve performance, productivity and efficiency of Federal Government financial management;

“(5) establish financial management systems to support controlling the cost of Federal Government;

“(6) build upon and complement the Chief Financial Officers Act of 1990 (Public Law 101-576; 104 Stat 2838) [see Short Title of 1990 Amendment note set out under section 501 of this title], the Government Performance and Results Act of 1993 (Public Law 103-62[.] 107 Stat. 285) [see Short Title of 1993 Amendment note set out under section 1101 of this title] and the Government Management Reform Act of 1994 (Public Law 103-356; 108 Stat. 3410) [see Short Title of 1994 Amendment note set out under section 3301 of this title]; and

“(7) increase the capability of agencies to monitor execution of the budget by more readily permitting reports that compare spending of resources to results of activities.

“SEC. 803. IMPLEMENTATION OF FEDERAL FINANCIAL MANAGEMENT IMPROVEMENTS.

“(a) IN GENERAL.—Each agency shall implement and maintain financial management systems that comply substantially with Federal financial management systems requirements, applicable Federal accounting standards, and the United States Government Standard General Ledger at the transaction level.

“(b) AUDIT COMPLIANCE FINDING.—

“(1) IN GENERAL.—Each audit required by section 3521(e) of title 31, United States Code, shall report whether the agency financial management systems comply with the requirements of subsection (a).

“(2) CONTENT OF REPORTS.—When the person performing the audit required by section 3521(e) of title 31, United States Code, reports that the agency financial management systems do not comply with the requirements of subsection (a), the person performing the audit shall include in the report on the audit—

“(A) the entity or organization responsible for the financial management systems that have been found not to comply with the requirements of subsection (a);

“(B) all facts pertaining to the failure to comply with the requirements of subsection (a), including—

“(i) the nature and extent of the noncompliance including areas in which there is substantial but not full compliance;

“(ii) the primary reason or cause of the non-compliance;

“(iii) the entity or organization responsible for the non-compliance [sic]; and

“(iv) any relevant comments from any responsible officer or employee; and

“(C) a statement with respect to the recommended remedial actions and the time frames to implement such actions.

“(c) COMPLIANCE IMPLEMENTATION.—

“(1) DETERMINATION.—No later than the date described under paragraph (2), the Head of an agency shall determine whether the financial management systems of the agency comply with the requirements of subsection (a). Such determination shall be based on—

“(A) a review of the report on the applicable agency-wide audited financial statement;

“(B) any other information the Head of the agency considers relevant and appropriate.

“(2) DATE OF DETERMINATION.—The determination under paragraph (1) shall be made no later than 120 days after the earlier of—

“(A) the date of the receipt of an agency-wide audited financial statement; or

“(B) the last day of the fiscal year following the year covered by such statement.

“(3) REMEDIATION PLAN.—

“(A) If the Head of an agency determines that the agency’s financial management systems do not

comply with the requirements of subsection (a), the head of the agency, in consultation with the Director, shall establish a remediation plan that shall include resources, remedies, and intermediate target dates necessary to bring the agency's financial management systems into substantial compliance.

“(B) If the determination of the head of the agency differs from the audit compliance findings required in subsection (b), the Director shall review such determinations and provide a report on the findings to the appropriate committees of the Congress.

“(4) TIME PERIOD FOR COMPLIANCE.—A remediation plan shall bring the agency's financial management systems into substantial compliance no later than 3 years after the date a determination is made under paragraph (1), unless the agency, with concurrence of the Director—

“(A) determines that the agency's financial management systems cannot comply with the requirements of subsection (a) within 3 years;

“(B) specifies the most feasible date for bringing the agency's financial management systems into compliance with the requirements of subsection (a); and

“(C) designates an official of the agency who shall be responsible for bringing the agency's financial management systems into compliance with the requirements of subsection (a) by the date specified under subparagraph (B).

“SEC. 804. REPORTING REQUIREMENTS.

“(a) REPORTS BY THE DIRECTOR.—No later than March 31 of each year, the Director shall submit a report to the Congress regarding implementation of this Act [title]. The Director may include the report in the financial management status report and the 5-year financial management plan submitted under section 3512(a)(1) of title 31, United States Code.

“(b) REPORTS BY THE INSPECTOR GENERAL[.]—Each Inspector General who prepares a report under section 5(a) of the Inspector General Act of 1978 (5 U.S.C. App.) shall report to Congress instances and reasons when an agency has not met the intermediate target dates established in the remediation plan required under section 3(c) [803(c)]. Specifically the report shall include—

“(1) the entity or organization responsible for the non-compliance [sic];

On the initiative of the Comptroller General or on request of an individual whose accounts are settled or the head of the agency to which the account relates, the Comptroller General may change the account within a year after settlement. The decision of the Comptroller General to change the account is conclusive on the executive branch.

(e) When an amount of money is expended under law for a treaty or relations with a foreign country, the President may—

(1) authorize the amount to be accounted for each year specifically by settlement of the Comptroller General when the President decides the amount expended may be made public; or

(2) make, or have the Secretary of State make, a certificate of the amount expended if the President decides the amount is not to be accounted for specifically. The certificate is a sufficient voucher for the amount stated in the certificate.

(f) The Comptroller General shall keep all settled accounts, vouchers, certificates, and related papers until they are disposed of as prescribed by law.

(g) This subchapter does not prohibit the Comptroller General from suspending an item in an account to get additional evidence or explanations needed to settle an account.

(c)(1) Except as provided in paragraph (2) of this subsection, a contract may not be awarded in any procurement after the Federal agency has received notice of a protest with respect to such procurement from the Comptroller General and while the protest is pending.

(2) The head of the procuring activity responsible for award of a contract may authorize the award of the contract (notwithstanding a protest of which the Federal agency has notice under this section)—

(A) upon a written finding that urgent and compelling circumstances which significantly affect interests of the United States will not permit waiting for the decision of the Comptroller General under this subchapter; and

(B) after the Comptroller General is advised of that finding.

(3) A finding may not be made under paragraph (2)(A) of this subsection unless the award of the contract is otherwise likely to occur within 30 days after the making of such finding.

(d)(1) A contractor awarded a Federal agency contract may, during the period described in paragraph (4), begin performance of the contract and engage in any related activities that result in obligations being incurred by the United States under the contract unless the contracting

officer responsible for the award of the contract withholds authorization to proceed with performance of the contract.

(2) The contracting officer may withhold an authorization to proceed with performance of the contract during the period described in paragraph (4) if the contracting officer determines in writing that—

- (A) a protest is likely to be filed; and
- (B) the immediate performance of the contract is not in the best interests of the United States.

(3)(A) If the Federal agency awarding the contract receives notice of a protest in accordance with this section during the period described in paragraph (4)—

- (i) the contracting officer may not authorize performance of the contract to begin while the protest is pending; or
- (ii) if authorization for contract performance to proceed was not withheld in accordance with paragraph (2) before receipt of the notice, the contracting officer shall immediately direct the contractor to cease performance under the contract and to suspend any related activities that may result in additional obligations being incurred by the United States under that contract.

(B) Performance and related activities suspended pursuant to subparagraph (A)(ii) by reason of a protest may not be resumed while the protest is pending.

(C) The head of the procuring activity may authorize the performance of the contract (notwithstanding a protest of which the Federal agency has notice under this section)—

- (i) upon a written finding that—
 - (I) performance of the contract is in the best interests of the United States; or
 - (II) urgent and compelling circumstances that significantly affect interests of the United States will not permit waiting for the decision of the Comptroller General concerning the protest; and
- (ii) after the Comptroller General is notified of that finding.

(4) The period referred to in paragraphs (2) and (3)(A), with respect to a contract, is the period beginning on the date of the contract award and ending on the later of—

- (A) the date that is 10 days after the date of the contract award; or
- (B) the date that is 5 days after the debriefing date offered to an unsuccessful offeror for any debriefing that is requested and, when requested, is required.

(e) The authority of the head of the procuring activity to make findings and to authorize the award and performance of contracts under subsections (c) and (d) of this section may not be delegated.

(f)(1) Within such deadlines as the Comptroller General prescribes, upon request each Federal agency shall provide to an interested party any document relevant to a protested procurement action (including the report required by subsection (b)(2) of this section) that would not give that party a competitive advantage and that the party is otherwise authorized by law to receive.

(2)(A) The Comptroller General may issue protective orders which establish terms, conditions, and restrictions for the provision of any document to a party under paragraph (1), that prohibit or restrict the disclosure by the party of information described in subparagraph (B) that is contained in such a document.

(B) Information referred to in subparagraph (A) is procurement sensitive information, trade secrets, or other proprietary or confidential research, development, or commercial information.

(C) A protective order under this paragraph shall not be considered to authorize the withholding of any document or information from Congress or an executive agency.

(g) If an interested party files a protest in connection with a public-private competition described in section 3551(2)(B) of this title, a person representing a majority of the employees of the Federal agency who are engaged in the performance of the activity or function subject to the public-private competition may intervene in protest.

CONSTRUCTION OF 2004 AMENDMENT

Amendment by Pub. L. 108-375 not to be construed to authorize the use of a protest under this subchapter with regard to a decision made by an agency tender official, see section 326(e) of Pub. L. 108-375, set out as a note under section 3551 of this title.

§ 3554. Decisions on protests

(a)(1) To the maximum extent practicable, the Comptroller General shall provide for the inexpensive and expeditious resolution of protests under this subchapter. Except as provided under paragraph (2) of this subsection, the Comptroller General shall issue a final decision concerning a protest within 100 days after the date the protest is submitted to the Comptroller General.

(2) The Comptroller General shall, by regulation prescribed pursuant to section 3555 of this title, establish an express option for deciding those protests which the Comptroller General determines suitable for resolution within 65 days after the date the protest is submitted.

(3) An amendment to a protest that adds a new ground of protest, if timely made, should be resolved, to the maximum extent practicable, within the time limit established under paragraph (1) of this subsection for final decision of the initial protest. If an amended protest cannot be resolved within such time limit, the Comptroller General may resolve the amended protest through the express option under paragraph (2) of this subsection.

(4) The Comptroller General may dismiss a protest that the Comptroller General determines is frivolous or which, on its face, does not state a valid basis for protest.

(b)(1) With respect to a solicitation for a contract, or a proposed award or the award of a contract, protested under this subchapter, the Comptroller General may determine whether the solicitation, proposed award, or award complies with statute and regulation. If the Comptroller General determines that the solicitation, proposed award, or award does not comply with

a statute or regulation, the Comptroller General shall recommend that the Federal agency—

(A) refrain from exercising any of its options under the contract;

(B) recompetite the contract immediately;

(C) issue a new solicitation;

(D) terminate the contract;

(E) award a contract consistent with the requirements of such statute and regulation;

(F) implement any combination of recommendations under clauses (A), (B), (C), (D), and (E); or

(G) implement such other recommendations as the Comptroller General determines to be necessary in order to promote compliance with procurement statutes and regulations.

(2) If the head of the procuring activity responsible for a contract makes a finding under section 3553(d)(3)(C)(i)(I) of this title, the Comptroller General shall make recommendations under this subsection without regard to any cost or disruption from terminating, recompetiting, or reawarding the contract.

(3) If the Federal agency fails to implement fully the recommendations of the Comptroller General under this subsection with respect to a solicitation for a contract or an award or proposed award of a contract within 60 days after receiving the recommendations, the head of the procuring activity responsible for that contract shall report such failure to the Comptroller General not later than 5 days after the end of such 60-day period.

(c)(1) If the Comptroller General determines that a solicitation for a contract or a proposed award or the award of a contract does not comply with a statute or regulation, the Comptroller General may recommend that the Federal agency conducting the procurement pay to an appropriate interested party the costs of—

(A) filing and pursuing the protest, including reasonable attorneys' fees and consultant and expert witness fees; and

(B) bid and proposal preparation.

(2) No party (other than a small business concern (within the meaning of section 3(a) of the Small Business Act)) may be paid, pursuant to a recommendation made under the authority of paragraph (1)—

(A) costs for consultant and expert witness fees that exceed the highest rate of compensation for expert witnesses paid by the Federal Government; or

(B) costs for attorneys' fees that exceed \$150 per hour unless the agency determines, based on the recommendation of the Comptroller General on a case by case basis, that an increase in the cost of living or a special factor, such as the limited availability of qualified attorneys for the proceedings involved, justifies a higher fee.

(3) If the Comptroller General recommends under paragraph (1) that a Federal agency pay costs to an interested party, the Federal agency shall—

(A) pay the costs promptly; or

(B) if the Federal agency does not make such payment, promptly report to the Comptroller General the reasons for the failure to follow the Comptroller General's recommendation.

(4) If the Comptroller General recommends under paragraph (1) that a Federal agency pay costs to an interested party, the Federal agency and the interested party shall attempt to reach an agreement on the amount of the costs to be paid. If the Federal agency and the interested party are unable to agree on the amount to be paid, the Comptroller General may, upon the request of the interested party, recommend to the Federal agency the amount of the costs that the Federal agency should pay.

(d) Each decision of the Comptroller General under this subchapter shall be signed by the Comptroller General or a designee for that purpose. A copy of the decision shall be made available to the interested parties, the head of the procuring activity responsible for the solicitation, proposed award, or award of the contract, and the senior procurement executive of the Federal agency involved.

(e)(1) The Comptroller General shall report promptly to the Committee on Governmental Affairs and the Committee on Appropriations of the Senate and to the Committee on Government Reform and Oversight and the Committee on Appropriations of the House of Representatives any case in which a Federal agency fails to implement fully a recommendation of the Comptroller General under subsection (b) or (c). The report shall include—

(A) a comprehensive review of the pertinent procurement, including the circumstances of the failure of the Federal agency to implement a recommendation of the Comptroller General; and

(B) a recommendation regarding whether, in order to correct an inequity or to preserve the integrity of the procurement process, the Congress should consider—

- (i) private relief legislation;
- (ii) legislative rescission or cancellation of funds;
- (iii) further investigation by Congress; or
- (iv) other action.

(2) Not later than January 31 of each year, the Comptroller General shall transmit to the Congress a report containing a summary of each instance in which a Federal agency did not fully implement a recommendation of the Comptroller General under subsection (b) or (c) during the preceding year. The report shall also describe each instance in which a final decision in a protest was not rendered within 100 days after the date the protest is submitted to the Comptroller General.

(B) claims by transportation carriers involving amounts collected from them for loss or damage incurred to property incident to shipment at Government expense.

(2) The Director of the Office of Personnel Management shall settle claims involving Federal civilian employees’ compensation and leave.

(3) The Administrator of General Services shall settle claims involving expenses incurred by Federal civilian employees for official travel and transportation, and for relocation expenses incident to transfers of official duty station.

(4) The Director of the Office of Management and Budget shall settle claims not otherwise provided for by this subsection or another provision of law.

(b)(1) A claim against the Government presented under this section must contain the signature and address of the claimant or an authorized representative. The claim must be received by the official responsible under subsection (a) for settling the claim or by the agency that conducts the activity from which the claim arises within 6 years after the claim accrues except—

(A) as provided in this chapter or another law; or

(B) a claim of a State, the District of Columbia, or a territory or possession of the United States.

(2) When the claim of a member of the armed forces accrues during war or within 5 years before war begins, the claim must be received within 5 years after peace is established or within the period provided in paragraph (1) of this subsection, whichever is later.

(3) A claim that is not received in the time required under this subsection shall be returned with a copy of this subsection, and no further communication is required.

In the case of a claim by or with respect to a member of the uniformed services who is not under the jurisdiction of the Secretary of a military department, such a waiver may be made only upon the request of the Secretary concerned (as defined in section 101 of title 37).

(2) Payment of a claim settled under subsection (a)(1)(A) shall be made from an appropriation that is available, for the fiscal year in which the payment is made, for the same purpose as the appropriation to which the obligation claimed would have been charged if the obligation had been timely paid, except that in the case of a claim for retired pay or survivor benefits, if the obligation claimed would have been paid from a trust fund if timely paid, the payment of the claim shall be made from that trust fund.

(3) This subsection does not apply to a claim in excess of \$25,000.

SUBCHAPTER II—CLAIMS OF THE UNITED STATES GOVERNMENT

§ 3711. Collection and compromise

(a) The head of an executive, judicial, or legislative agency—

(1) shall try to collect a claim of the United States Government for money or property arising out of the activities of, or referred to, the agency;

(2) may compromise a claim of the Government of not more than \$100,000 (excluding interest) or such higher amount as the Attorney General may from time to time prescribe that has not been referred to another executive or legislative agency for further collection action, except that only the Comptroller General may compromise a claim arising out of an exception the Comptroller General makes in the account of an accountable official; and

(3) may suspend or end collection action on a claim referred to in clause (2) of this subsection when it appears that no person liable on the claim has the present or prospective ability to pay a significant amount of the claim or the cost of collecting the claim is likely to be more than the amount recovered.

(b)(1) The head of an executive, judicial, or legislative agency may not act under subsection (a)(2) or (3) of this section on a claim that appears to be fraudulent, false, or misrepresented by a party with an interest in the claim, or that is based on conduct in violation of the antitrust laws.

(2) The Secretary of Transportation may not compromise for less than \$500 a penalty under section 21302 of title 49 for a violation of chapter 203, 205, or 207 of title 49 or a regulation or requirement prescribed or order issued under any of those chapters.

(c) A compromise under this section is final and conclusive unless gotten by fraud, misrepresentation, presenting a false claim, or mutual

mistake of fact. An accountable official is not liable for an amount paid or for the value of property lost or damaged if the amount or value is not recovered because of a compromise under this section.

(d) The head of an executive, judicial, or legislative agency acts under—

(1) regulations prescribed by the head of the agency; and

(2) standards that the Attorney General, the Secretary of the Treasury, may prescribe.¹

(e)(1) When trying to collect a claim of the Government under a law except the Internal Revenue Code of 1986 (26 U.S.C. 1 et seq.), the head of an executive, judicial, or legislative agency shall disclose to a consumer reporting agency information from a system of records that a person is responsible for a claim if—

(iv) of the rights the person has to a complete explanation of the claim, to dispute information in the records of the agency about the claim, and to administrative repeal or review of the claim;

(D) the person has not—

(i) repaid or agreed to repay the claim under a written repayment plan that the person has signed and the head of the agency has agreed to; or

(ii) filed for review of the claim under paragraph (2) of this subsection;

(E) the head of the agency has established procedures to—

(3) Before disclosing information to a consumer reporting agency under paragraph (1) of this subsection, the head of an executive, judicial, or legislative agency shall take reasonable action to locate a person for whom the head of the agency does not have a current address to send the notice under paragraph (1)(C).

(4) The head of each executive agency shall require, as a condition for insuring or guaranteeing any loan, financing, or other extension of credit under any law to a person, that the lender provide information relating to the extension of credit to consumer reporting agencies or commercial reporting agencies, as appropriate.

(5) The head of each executive agency may provide to a consumer reporting agency or commercial reporting agency information from a system of records that a person is responsible for a claim which is current, if notice required by section 552a(e)(4) of title 5 indicates that information in the system may be disclosed to a consumer reporting agency or commercial reporting agency, respectively.

(f)(1) The Secretary of Defense may suspend or terminate an action by the Secretary or by the Secretary of a military department under subsection (a) to collect a claim against the estate of a person who died while serving on active duty as a member of the Army, Navy, Air Force, Marine Corps, or Coast Guard during a period when the Coast Guard is operating as a service in the Navy if the Secretary determines that, under the circumstances applicable with respect to the deceased person, it is appropriate to do so.

(2) The Secretary of Transportation may suspend or terminate an action by the Secretary under subsection (a) to collect a claim against the estate of a person who died while serving on active duty as a member of the Coast Guard if the Secretary determines that, under the circumstances applicable with respect to the deceased person, it is appropriate to do so.

(3) In this subsection, the term “active duty” has the meaning given that term in section 101 of title 10.

(g)(1) If a nontax debt or claim owed to the United States has been delinquent for a period of 180 days—

(A) the head of the executive, judicial, or legislative agency that administers the program that gave rise to the debt or claim shall transfer the debt or claim to the Secretary of the Treasury; and

(B) upon such transfer the Secretary of the Treasury shall take appropriate action to collect or terminate collection actions on the debt or claim.

¹ So in original. Probably should be “Attorney General and the Secretary of the Treasury may prescribe jointly.”

(2) Paragraph (1) shall not apply—

(A) to any debt or claim that—

- (i) is in litigation or foreclosure;
- (ii) will be disposed of under an asset sales program within 1 year after becoming eligible for sale, or later than 1 year if consistent with an asset sales program and a schedule established by the agency and approved by the Director of the Office of Management and Budget;

- (v) will be collected under internal offset, if such offset is sufficient to collect the claim within 3 years after the date the debt or claim is first delinquent; and

(B) to any other specific class of debt or claim, as determined by the Secretary of the Treasury at the request of the head of an executive, judicial, or legislative agency or otherwise.

(3) For purposes of this section, the Secretary of the Treasury may designate, and withdraw such designation of debt collection centers operated by other Federal agencies. The Secretary of the Treasury shall designate such centers on the basis of their performance in collecting delinquent claims owed to the Government.

(C) the Department of Justice for litigation.

(5) Nontax claims referred or transferred under this section shall be serviced, collected, or compromised, or collection action thereon suspended or terminated, in accordance with otherwise applicable statutory requirements and authorities. Executive departments and agencies operating debt collection centers may enter into agreements with the Secretary of the Treasury to carry out the purposes of this subsection. The Secretary of the Treasury shall—

(A) maintain competition in carrying out this subsection;

(B) maximize collections of delinquent debts by placing delinquent debts quickly;

(C) maintain a schedule of private collection contractors and debt collection centers eligible for referral of claims; and

(D) refer delinquent debts to the person most appropriate to collect the type or amount of claim involved.

(6) Any agency operating a debt collection center to which nontax claims are referred or transferred under this subsection may charge a

fee sufficient to cover the full cost of implementing this subsection. The agency transferring or referring the nontax claim shall be charged the fee, and the agency charging the fee shall collect such fee by retaining the amount of the fee from amounts collected pursuant to this subsection. Agencies may agree to pay through a different method, or to fund an activity from another account or from revenue received from the procedure described under section 3720C of this title. Amounts charged under this subsection concerning delinquent claims may be considered as costs pursuant to section 3717(e) of this title.

(7) Notwithstanding any other law concerning the depositing and collection of Federal payments, including section 3302(b) of this title, agencies collecting fees may retain the fees from amounts collected. Any fee charged pursuant to this subsection shall be deposited into an account to be determined by the executive department or agency operating the debt collection center charging the fee (in this subsection referred to in this section² as the “Account”). Amounts deposited in the Account shall be available until expended to cover costs associated with the implementation and operation of Governmentwide debt collection activities. Costs properly chargeable to the Account include—

(A) the costs of computer hardware and software, word processing and telecommunications equipment, and other equipment, supplies, and furniture;

(B) personnel training and travel costs;

(C) other personnel and administrative costs;

(D) the costs of any contract for identification, billing, or collection services; and

(E) reasonable costs incurred by the Secretary of the Treasury, including services and utilities provided by the Secretary, and administration of the Account.

(8) Not later than January 1 of each year, there shall be deposited into the Treasury as miscellaneous receipts an amount equal to the amount of unobligated balances remaining in the Account at the close of business on September 30 of the preceding year, minus any part of such balance that the executive department or agency operating the debt collection center determines is necessary to cover or defray the costs under this subsection for the fiscal year in which the deposit is made.

(9) Before discharging any delinquent debt owed to any executive, judicial, or legislative agency, the head of such agency shall take all appropriate steps to collect such debt, including (as applicable)—

(A) administrative offset,

(B) tax refund offset,

² So in original.

(G) garnishing the wages of delinquent debtors, and

(H) litigation or foreclosure.

(10) To carry out the purposes of this subsection, the Secretary of the Treasury may prescribe such rules, regulations, and procedures as the Secretary considers necessary and transfer such funds from funds appropriated to the Department of the Treasury as may be necessary to meet existing liabilities and obligations incurred prior to the receipt of revenues that result from debt collections.

(h)(1) The head of an executive, judicial, or legislative agency acting under subsection (a)(1), (2), or (3) of this section to collect a claim, compromise a claim, or terminate collection action on a claim may obtain a consumer report (as that term is defined in section 603 of the Fair Credit Reporting Act (15 U.S.C. 1681a)) or comparable credit information on any person who is liable for the claim.

(2) The obtaining of a consumer report under this subsection is deemed to be a circumstance or purpose authorized or listed under section 604 of the Fair Credit Reporting Act (15 U.S.C. 1681b).

(i)(1) The head of an executive, judicial, or legislative agency may sell, subject to section 504(b) of the Federal Credit Reform Act of 1990 and using competitive procedures, any nontax debt owed to the United States that is delinquent for more than 90 days. Appropriate fees charged by a contractor to assist in the conduct of a sale under this subsection may be payable from the proceeds of the sale.

(2) After terminating collection action, the head of an executive, judicial, or legislative agency shall sell, using competitive procedures, any nontax debt or class of nontax debts owed to the United States, if the Secretary of the Treasury determines the sale is in the best interests of the United States.

(3) Sales of nontax debt under this subsection—

(A) shall be for—

(i) cash, or

(ii) cash and a residuary equity or profit participation, if the head of the agency reasonably determines that the proceeds will be greater than sale solely for cash,

(B) shall be without recourse, but may include the use of guarantees if otherwise authorized, and

(C) shall transfer to the purchaser all rights of the Government to demand payment of the nontax debt, other than with respect to a residuary equity or profit participation under subparagraph (A)(ii).

(4)(A) Within one year after the date of enactment of the Debt Collection Improvement Act of 1996, each executive agency with current and delinquent collateralized nontax debts shall report to the Congress on the valuation of its existing portfolio of loans, notes and guarantees, and other collateralized debts based on standards developed by the Director of the Office of Management and Budget, in consultation with the Secretary of the Treasury.

(B) The Director of the Office of Management and Budget shall determine what information is

required to be reported to comply with subparagraph (A). At a minimum, for each financing account and for each liquidating account (as those terms are defined in sections 502(7) and 502(8), respectively, of the Federal Credit Reform Act of 1990) the following information shall be reported:

(i) The cumulative balance of current debts outstanding, the estimated net present value of such debts, the annual administrative expenses of those debts (including the portion of salaries and expenses that are directly related thereto), and the estimated net proceeds that would be received by the Government if such debts were sold.

(ii) The cumulative balance of delinquent debts, debts outstanding, the estimated net present value of such debts, the annual administrative expenses of those debts (including the portion of salaries and expenses that are directly related thereto), and the estimated net proceeds that would be received by the Government if such debts were sold.

(B) If the United States has given an endorser written notice of a claim against the endorser within the time allowed by subparagraph (A), the 1-year period for bringing a civil

§ 3716. Administrative offset

(a) After trying to collect a claim from a person under section 3711(a) of this title, the head of an executive, judicial, or legislative agency may collect the claim by administrative offset. The head of the agency may collect by administrative offset only after giving the debtor—

(1) written notice of the type and amount of the claim, the intention of the head of the agency to collect the claim by administrative offset, and an explanation of the rights of the debtor under this section;

(2) an opportunity to inspect and copy the records of the agency related to the claim;

(3) an opportunity for a review within the agency of the decision of the agency related to the claim; and

(4) an opportunity to make a written agreement with the head of the agency to repay the amount of the claim.

(b) Before collecting a claim by administrative offset, the head of an executive, judicial, or legislative agency must either—

(1) adopt, without change, regulations on collecting by administrative offset promulgated by the Department of Justice, the Government Accountability Office, or the Department of the Treasury; or

(2) prescribe regulations on collecting by administrative offset consistent with the regulations referred to in paragraph (1).

(c)(1)(A) Except as otherwise provided in this subsection, a disbursing official of the Department of the Treasury, the Department of Defense, the United States Postal Service, or any other government corporation, or any disbursing official of the United States designated by the Secretary of the Treasury, shall offset at least annually the amount of a payment which a payment certifying agency has certified to the disbursing official for disbursement, by an amount equal to the amount of a claim which a creditor agency has certified to the Secretary of the Treasury pursuant to this subsection.

(B) An agency that designates disbursing officials pursuant to section 3321(c) of this title is not required to certify claims arising out of its operations to the Secretary of the Treasury before such agency's disbursing officials offset such claims.

(C) Payments certified by the Department of Education under a program administered by the Secretary of Education under title IV of the Higher Education Act of 1965 shall not be subject to administrative offset under this subsection.

(2) Neither the disbursing official nor the payment certifying agency shall be liable—

(A) for the amount of the administrative offset on the basis that the underlying obligation, represented by the payment before the administrative offset was taken, was not satisfied; or

(B) for failure to provide timely notice under paragraph (8).

(3)(A)(i) Notwithstanding any other provision of law (including sections 207 and 1631(d)(1) of the Social Security Act (42 U.S.C. 407 and 1383(d)(1)), section 413(b) of Public Law 91-173 (30 U.S.C. 923(b)), and section 14 of the Act of August 29, 1935 (45 U.S.C. 231m)), except as provided in clause (ii), all payments due to an individual under—

(I) the Social Security Act,

(II) part B of the Black Lung Benefits Act, or

(III) any law administered by the Railroad Retirement Board (other than payments that such Board determines to be tier 2 benefits),

shall be subject to offset under this section.

(ii) An amount of \$9,000 which a debtor may receive under Federal benefit programs cited

under clause (i) within a 12-month period shall be exempt from offset under this subsection. In applying the \$9,000 exemption, the disbursing official shall—

(I) reduce the \$9,000 exemption amount for the 12-month period by the amount of all Federal benefit payments made during such 12-month period which are not subject to offset under this subsection; and

(II) apply a prorated amount of the exemption to each periodic benefit payment to be made to the debtor during the applicable 12-month period.

For purposes of the preceding sentence, the amount of a periodic benefit payment shall be the amount after any reduction or deduction required under the laws authorizing the program under which such payment is authorized to be made (including any reduction or deduction to recover any overpayment under such program).

(B) The Secretary of the Treasury shall exempt from administrative offset under this subsection payments under means-tested programs when requested by the head of the respective agency. The Secretary may exempt other payments from administrative offset under this subsection upon the written request of the head of a payment certifying agency. A written request for exemption of other payments must provide justification for the exemption under standards prescribed by the Secretary. Such standards shall give due consideration to whether administrative offset would tend to interfere substantially with or defeat the purposes of the payment certifying agency's program. The Secretary shall report to the Congress annually on exemptions granted under this section.

(C) The provisions of sections 205(b)(1), 809(a)(1), and 1631(c)(1) of the Social Security Act shall not apply to any administrative offset executed pursuant to this section against benefits authorized by title II, VIII, or title XVI of the Social Security Act, respectively.

(4) The Secretary of the Treasury may charge a fee sufficient to cover the full cost of implementing this subsection. The fee may be collected either by the retention of a portion of amounts collected pursuant to this subsection, or by billing the agency referring or transferring a claim for those amounts. Fees charged to the agencies shall be based on actual administrative offsets completed. Amounts received by the United States as fees under this subsection shall be deposited into the account of the Department of the Treasury under section 3711(g)(7) of this title, and shall be collected and accounted for in accordance with the provisions of that section.

(5) The Secretary of the Treasury in consultation with the Commissioner of Social Security and the Director of the Office of Management and Budget, may prescribe such rules, regulations, and procedures as the Secretary of the Treasury considers necessary to carry out this subsection. The Secretary shall consult with the heads of affected agencies in the development of such rules, regulations, and procedures.

(6) Any Federal agency that is owed by a person a past due, legally enforceable nontax debt that is over 180 days delinquent, including nontax debt administered by a third party acting as an agent for the Federal Government,

shall notify the Secretary of the Treasury of all such nontax debts for purposes of administrative offset under this subsection.

(7)(A) The disbursing official conducting an administrative offset with respect to a payment to a payee shall notify the payee in writing of—

(i) the occurrence of the administrative offset to satisfy a past due legally enforceable debt, including a description of the type and amount of the payment otherwise payable to the payee against which the offset was executed;

(ii) the identity of the creditor agency requesting the offset; and

(iii) a contact point within the creditor agency that will handle concerns regarding the offset.

(B) If the payment to be offset is a periodic benefit payment, the disbursing official shall take reasonable steps, as determined by the Secretary of the Treasury, to provide the notice to the payee not later than the date on which the payee is otherwise scheduled to receive the payment, or as soon as practical thereafter, but no later than the date of the administrative offset. Notwithstanding the preceding sentence, the failure of the debtor to receive such notice shall not impair the legality of such administrative offset.

(8) A levy pursuant to the Internal Revenue Code of 1986 shall take precedence over requests for administrative offset pursuant to other laws.

(d) Nothing in this section is intended to prohibit the use of any other administrative offset authority existing under statute or common law.

(e) This section does not apply—

(1) to a claim under this subchapter that has been outstanding for more than 10 years; or

(2) when a statute explicitly prohibits using administrative offset or setoff to collect the claim or type of claim involved.

(f) The Secretary may waive the requirements of sections 552a(o) and (p) of title 5 for administrative offset or claims collection upon written certification by the head of a State or an executive, judicial, or legislative agency seeking to collect the claim that the requirements of subsection (a) of this section have been met.

(g) The Data Integrity Board of the Department of the Treasury established under 552a(u) of title 5 shall review and include in reports under paragraph (3)(D) of that section a description of any matching activities conducted under this section. If the Secretary has granted a waiver under subsection (f) of this section, no other Data Integrity Board is required to take any action under section 552a(u) of title 5.

(h)(1) The Secretary may, in the discretion of the Secretary, apply subsection (a) with respect to any past-due, legally-enforceable debt owed to a State if—

(A) the appropriate State disbursing official requests that an offset be performed; and

(B) a reciprocal agreement with the State is in effect which contains, at a minimum—

(i) requirements substantially equivalent to subsection (b) of this section; and

(ii) any other requirements which the Secretary considers appropriate to facilitate the offset and prevent duplicative efforts.

(2) This subsection does not apply to—

(A) the collection of a debt or claim on which the administrative costs associated with the collection of the debt or claim exceed the amount of the debt or claim;

(B) any collection of any other type, class, or amount of claim, as the Secretary considers necessary to protect the interest of the United States; or

(C) the disbursement of any class or type of payment exempted by the Secretary of the Treasury at the request of a Federal agency.

(3) In applying this section with respect to any debt owed to a State, subsection (c)(3)(A) shall not apply.

EX. ORD. NO. 13019. SUPPORTING FAMILIES: COLLECTING DELINQUENT CHILD SUPPORT OBLIGATIONS

Ex. Ord. No. 13019, Sept. 28, 1996, 61 F.R. 51763, provided that:

The Debt Collection Improvement Act of 1996, Public Law 104-134 [§31001] (110 Stat. 1321-358 *et seq.*) [see Short Title of 1996 Amendment note set out under section 3701 of this title], was enacted into law on April 26, 1996, as part of the Omnibus Consolidated Rescissions and Appropriations Act of 1996. While the primary purpose of the Debt Collection Improvement Act is to increase the collection of nontax debts owed to the Federal Government, the Act also contains important provisions that can be used to assist families in collecting past-due child support obligations.

The failure of some parents to meet their child support obligations threatens the health, education, and well-being of their children. Compounding this problem, States have experienced difficulties enforcing child support obligations once a parent has moved to another State. With this Executive order, my Administration takes additional steps to support our children

and strengthen American families by facilitating the collection of delinquent child support obligations from persons who may be entitled or eligible to receive certain Federal payments or Federal assistance.

Accordingly, by the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

SECTION 1. *Administrative Offsets.* (a)(1) The Secretary of the Treasury (“the Secretary”), in accordance with the provisions of the Debt Collection Improvement Act of 1996 and to the extent permitted by law, and in consultation with the Secretary of Health and Human Services and other affected agencies, shall promptly develop and implement procedures necessary for the Secretary to collect past-due child support debts by administrative offset, and shall issue such rules, regulations, and procedures as the Secretary, in consultation with the heads of affected agencies, deems appropriate to govern administrative offsets by the Department of the Treasury and other executive departments and agencies that disburse Federal payments.

(2) The Secretary may enter into reciprocal agreements with States concerning the collection by the Secretary of delinquent child support debts through administrative offsets.

(b) The Secretary of Health and Human Services shall, within 120 days of the date of this order, implement procedures necessary to report to the Secretary of the Treasury information on past-due child support claims referred by States (including claims enforced by States pursuant to cooperative agreements with or by Indian tribal governments) to the Department of Health and Human Services.

(c) The head of each executive department and agency that certifies payments to the Secretary or to another disbursing official shall review each class of payments that the department or agency certifies to determine if any such class should be exempt from offset and, if any class is so identified, submit to the Secretary a request for such an exemption together with the reasons therefor. With respect to classes of payments under means-tested programs existing on the date of this order, such submission shall be made within 30 days of the date of this order. With respect to classes of payments other than payments under means-tested programs existing on the date of this order, such submissions shall be made within 30 days of the date the Secretary establishes standards pursuant to section 3716(c)(3) of title 31, United States Code. With respect to a class of payments established after the date of this order, such submissions shall be made not later than 30 days after such class is established.

(d) The head of each executive department and agency that certifies payments to the Secretary shall promptly implement any rule, regulation, or procedure issued by the Secretary pursuant to this section.

(e) The head of each executive department and agency that is authorized by law to disburse payments shall promptly implement any rule, regulation, or procedure issued by the Secretary pursuant to this section and shall:

(1) match, consistent with computer privacy matching laws, the payment certification records of such department or agency with records of persons delinquent in child support payments as directed by the Secretary; and

(2) conduct administrative offsets to collect delinquent child support payments.

(f) The Secretary shall, to the extent permitted by law, share with the Secretary of Health and Human Services any information contained in payment certification records of persons who are delinquent in child support obligations that would assist in the collection of such debts, whether or not an administrative offset is conducted.

SEC. 2. *Denial of Federal Assistance.* (a) The Secretary shall, to the extent permitted by law, ensure that information concerning individuals whose payments are subject to administrative offset because of delinquent child support obligations is made available to the head

of each executive department and agency that provides Federal financial assistance to individuals.

(b) In conformance with section 2(e) of this order, the head of each executive department and agency shall, with respect to any individuals whose payments are subject to administrative offset because of a delinquent child support obligation, promptly implement procedures to deny Federal financial assistance to such individuals.

(c) The Attorney General, in consultation with the Secretary of Health and Human Services and other affected agencies, shall promptly issue guidelines for departments and agencies concerning minimum due-process standards to be included in the procedures required by subsection (b) of this section.

(d) For purposes of this section, Federal financial assistance means any Federal loan (other than a disaster loan), loan guarantee, or loan insurance.

(e)(1) A class of Federal financial assistance shall not be subject to denial if the head of the concerned department or agency determines:

(A) in consultation with the Attorney General and the Secretary of Health and Human Services, that such action:

(i) is not permitted by law; or
(ii) would likely result in valid legal claims for damages against the United States;

(B) that such action would be inconsistent with the best interests of the child or children with respect to whom a child support obligation is owed; or

(C) that such action should be waived.

(2) The head of each executive department and agency shall provide written notification to the Secretary upon determining that the denial of a class of Federal financial assistance is not permitted by law or should be waived.

(f) The head of each executive department and agency shall:

(1) review all laws under the jurisdiction of the department or agency that do not permit the denial of Federal financial assistance to individuals and whose payments are subject to administrative offset because of a delinquent child support obligation and, where appropriate, transmit to the Director of the Office of Management and Budget recommendations for statutory changes; and

(2) to the extent practicable, review all rules, regulations, and procedures implementing laws under the jurisdiction of the department or agency governing the provision of any Federal financial assistance to individuals and, where appropriate, conform such rules, regulations, and procedures to the provisions of this order and the rules, regulations, and procedures issued by the Secretary pursuant to section 1 of this order.

SEC. 3. *Reports.* (a) The head of each executive department and agency shall provide to the Secretary such information as the Secretary may request concerning the implementation of this order, the provisions of the Debt Collection Improvement Act of 1996 applicable to delinquent child support obligations, and the rules, regulations, and procedures issued by the Secretary pursuant to section 1 of this order.

(b) The Secretary shall report annually to the President concerning the implementation by departments and agencies of this order and the provisions of the Debt Collection Improvement Act of 1996 applicable to delinquent child support obligations.

SEC. 4. *Judicial Review.* This order does not create any right or benefit, substantive or procedural, enforceable at law by a party against the United States, its agencies, its officers, or any person.

WILLIAM J. CLINTON.

§ 3717. Interest and penalty on claims

(a)(1) The head of an executive, judicial, or legislative agency shall charge a minimum annual rate of interest on an outstanding debt on a United States Government claim owed by a

person that is equal to the average investment rate for the Treasury tax and loan accounts for the 12-month period ending on September 30 of each year, rounded to the nearest whole percentage point. The Secretary of the Treasury shall publish the rate before November 1 of that year. The rate is effective on the first day of the next calendar quarter.

(2) The Secretary may change the rate of interest for a calendar quarter if the average investment rate for the 12-month period ending at the close of the prior calendar quarter, rounded to the nearest whole percentage point, is more or less than the existing published rate by 2 percentage points.

(b) Interest under subsection (a) of this section accrues from the date—

(1) on which notice is mailed after October 25, 1982, if notice was first mailed before October 25, 1982; or

(2) notice of the amount due is first mailed to the debtor at the most current address of the debtor available to the head of the executive or¹ legislative agency, if notice is first mailed after October 24, 1982.

(c) The rate of interest charged under subsection (a) of this section—

(1) is the rate in effect on the date from which interest begins to accrue under subsection (b) of this section; and

(2) remains fixed at that rate for the duration of the indebtedness.

(d) Interest under subsection (a) of this section may not be charged if the amount due on the claim is paid within 30 days after the date from which interest accrues under subsection (b) of this section. The head of an executive, judicial, or legislative agency may extend the 30-day period.

(e) The head of an executive, judicial, or legislative agency shall assess on a claim owed by a person—

(1) a charge to cover the cost of processing and handling a delinquent claim; and

(2) a penalty charge of not more than 6 percent a year for failure to pay a part of a debt more than 90 days past due.

(f) Interest under subsection (a) of this section does not accrue on a charge assessed under subsection (e) of this section.

(g) This section does not apply—

(1) if a statute, regulation required by statute, loan agreement, or contract prohibits charging interest or assessing charges or explicitly fixes the interest or charges; and

(2) to a claim under a contract executed before October 25, 1982, that is in effect on October 25, 1982.

(h) In conformity with standards prescribed jointly by the Attorney General, the Secretary of the Treasury, and the Comptroller General, the head of an executive, judicial, or legislative agency may prescribe regulations identifying circumstances appropriate to waiving collection of interest and charges under subsections (a) and (e) of this section. A waiver under the regulations is deemed to be compliance with this section.

¹ So in original. Probably should be “, judicial, or”.

(i)(1) The head of an executive, judicial, or legislative agency may increase an administrative claim by the cost of living adjustment in lieu of charging interest and penalties under this section. Adjustments under this subsection will be computed annually.

(2) For the purpose of this subsection—

(A) the term “cost of living adjustment” means the percentage by which the Consumer Price Index for the month of June of the calendar year preceding the adjustment exceeds the Consumer Price Index for the month of June of the calendar year in which the claim was determined or last adjusted; and

(B) the term “administrative claim” includes all debt that is not based on an extension of Government credit through direct loans, loan guarantees, or insurance, including fines, penalties, and overpayments.

§ 3718. Contracts for collection services

(a) Under conditions the head of an executive, judicial, or legislative agency considers appropriate, the head of the agency may enter into a contract with a person for collection service to recover indebtedness owed, or to locate or recover assets of, the United States Government. The head of an agency may not enter into a contract under the preceding sentence to locate or recover assets of the United States held by a State government or financial institution unless that agency has established procedures approved by the Secretary of the Treasury to identify and recover such assets. The contract shall provide that—

(1) the head of the agency retains the authority to resolve a dispute, compromise a claim, end collection action, and refer a matter to the Attorney General to bring a civil action; and

(2) the person is subject to—

(A) section 552a of title 5, to the extent provided in section 552a(m); and

(B) laws and regulations of the United States Government and State governments related to debt collection practices.

(b)(1)(A) The Attorney General may make contracts retaining private counsel to furnish legal services, including representation in negotiation, compromise, settlement, and litigation, in the case of any claim of indebtedness owed the United States. Each such contract shall include such terms and conditions as the Attorney General considers necessary and appropriate, including a provision specifying the amount of the fee to be paid to the private counsel under such contract or the method for calculating that fee. The amount of the fee payable for legal services furnished under any such contract may not exceed the fee that counsel engaged in the private practice of law in the area or areas where the legal services are furnished typically charge clients for furnishing legal services in the collection of claims of indebtedness, as determined by the Attorney General, considering the amount, age, and nature of the indebtedness and whether the debtor is an individual or a business entity. Nothing in this subparagraph shall relieve the Attorney General of the competition requirements set forth in title III of the Federal Property and Administrative Services Act of 1949 (41 U.S.C. 251 and following).

(B) The Attorney General shall use his best efforts to enter into contracts under this paragraph with law firms owned and controlled by socially and economically disadvantaged individuals and law firms that are qualified HUB-Zone small business concerns (as defined in section 3(p) of the Small Business Act), so as to enable each agency to comply with paragraph (3).

(2) The head of an executive, judicial, or legislative agency may, subject to the approval of the Attorney General, refer to a private counsel retained under paragraph (1) of this subsection claims of indebtedness owed the United States arising out of activities of that agency.

(3) Each agency shall use its best efforts to assure that not less than 10 percent of the amounts of all claims referred to private counsel by that agency under paragraph (2) are referred to law firms owned and controlled by socially and economically disadvantaged individuals and law firms that are qualified HUBZone small business concerns. For purposes of this paragraph—

(A) the term “law firm owned and controlled by socially and economically disadvantaged individuals” means a law firm that meets the requirements set forth in clauses (i) and (ii) of section 8(d)(3)(C) of the Small Business Act (15 U.S.C. 637(d)(3)(C)(i) and (ii)) and regulations issued under those clauses;

(B) “socially and economically disadvantaged individuals” shall be presumed to include these¹ groups and individuals described in the last paragraph of section 8(d)(3)(C) of the Small Business Act; and

(C) the term “qualified HUBZone small business concern” has the meaning given that term in section 3(p) of the Small Business Act.

(4) Notwithstanding sections 516, 518(b), 519, and 547(2) of title 28, a private counsel retained under paragraph (1) of this subsection may represent the United States in litigation in connection with legal services furnished pursuant to the contract entered into with that counsel under paragraph (1) of this subsection.

(5) A contract made with a private counsel under paragraph (1) of this subsection shall include—

(A) a provision permitting the Attorney General to terminate either the contract or the private counsel's representation of the United States in particular cases if the Attorney General finds that such action is for the convenience of the Government;

(B) a provision stating that the head of the executive or² legislative agency which refers a claim under the contract retains the authority to resolve a dispute regarding the claim, to compromise the claim, or to terminate a collection action on the claim; and

(C) a provision requiring the private counsel to transmit monthly to the Attorney General and the head of the executive or¹ legislative agency referring a claim under the contract a report on the services relating to the claim rendered under the contract during the month and the progress made during the month in collecting the claim under the contract.

(6) Notwithstanding the fourth sentence of section 803(6) of the Fair Debt Collection Practices Act (15 U.S.C. 1692a(6)), a private counsel performing legal services pursuant to a contract made under paragraph (1) of this subsection shall be considered to be a debt collector for the purposes of such Act.

(7) Any counterclaim filed in any action to recover indebtedness owed the United States which is brought on behalf of the United States by private counsel retained under this subsection may not be asserted unless the counterclaim is served directly on the Attorney General or the United States Attorney for the judicial district in which, or embracing the place in which, the action is brought. Such service shall be made in accordance with the rules of procedure of the court in which the action is brought.

(c) The Attorney General shall transmit to the Congress an annual report on the activities of the Department of Justice to recover indebtedness owed the United States which was referred to the Department of Justice for collection. Each such report shall include a list, by agency, of—

(1) the total number and amounts of claims which were referred for legal services to the Department of Justice and to private counsel under subsection (b) during the 1-year period covered by the report;

(2) the total number and amount of those claims referred for legal services to the Department of Justice which were collected or were not collected or otherwise resolved during the 1-year period covered by the report; and

(3) the total number and amount of those claims referred for legal services to private counsel under subsection (b)—

(A) which were collected or were not collected or otherwise resolved during the 1-year period covered by the report;

(B) which were not collected or otherwise resolved under a contract terminated by the Attorney General during the 1-year period covered by the report; and

(C) on which the Attorney General terminated the private counsel's representation during the 1-year period covered by the report without terminating the contract with the private counsel under which the claims were referred.

(d) Notwithstanding section 3302(b) of this title, a contract under subsection (a) or (b) of this section may provide that a fee a person charges to recover indebtedness owed, or to locate or recover assets of, the United States Government is payable from the amount recovered.

(e) A contract under subsection (a) or (b) of this section is effective only to the extent and in the amount provided in an appropriation law. This limitation does not apply in the case of a contract that authorizes a person to collect a fee as provided in subsection (d) of this section.

(f) This section does not apply to the collection of debts under the Internal Revenue Code of 1986 (26 U.S.C. 1 et seq.).

(g) In order to assist Congress in determining whether use of private counsel is a cost-effective method of collecting Government debts, the Attorney General shall, following consultation with the Government Accountability Office, maintain and make available to the Inspector General of the Department of Justice, statistical data relating to the comparative costs of debt collection by participating United States Attorneys' Offices and by private counsel.

§ 3720A. Reduction of tax refund by amount of debt

(a) Any Federal agency that is owed by a person a past-due, legally enforceable debt (including debt administered by a third party acting as an agent for the Federal Government) shall, and any agency subject to section 9 of the Act of May 18, 1933 (16 U.S.C. 831h), owed such a debt may, in accordance with regulations issued pursuant to subsections (b) and (d), notify the Secretary of the Treasury at least once each year of the amount of such debt.

(c) Upon receiving notice from any Federal agency that a named person owes to such agency a past-due legally enforceable debt, the Secretary of the Treasury shall determine whether any amounts, as refunds of Federal taxes paid, are payable to such person. (d) The Secretary of the Treasury shall issue regulations prescribing the time or times at which agencies must submit notices of past-due legally enforceable debts, the manner in which such notices must be submitted, and the necessary information that must be contained in or accompany the notices. The regulations shall specify the minimum amount of debt to which the reduction procedure established by subsection (c) may be applied and the fee that an agency must pay to reimburse the Secretary of the Treasury for the full cost of applying such procedure. (B) In any case in which an individual files for a waiver under section 204(b) of the Social Security Act within the 60-day period referred to in subsection (b)(2), the Commissioner of Social Security shall not certify to the Secretary of the Treasury that the debt is valid under subsection (b)(4) before rendering a decision on the waiver request under such section 204(b). In lieu of payment, pursuant to subsection (c), to the Commissioner of Social Security of the amount of any reduction under this subsection based on an OASDI overpayment, the Secretary of the Treasury shall deposit such amount in the Federal Old-Age and Survivors Insurance Trust Fund or the Federal Disability Insurance Trust Fund, whichever is certified to the Secretary of the Treasury as appropriate by the Commissioner of Social Security.

(g) In the case of refunds of business associations, this section shall apply only to refunds

(a)(1) Each agency that receives a bill from a carrier or freight forwarder for transporting an individual or property for the United States Government shall verify its correctness (to include transportation rates, freight classifications, or proper combinations thereof), using prepayment audit, prior to payment in accordance with the requirements of this section and regulations prescribed by the Administrator of General Services.

(2) The Administrator of General Services may exempt bills, a particular mode or modes of transportation, or an agency or subagency from a prepayment audit and verification and in lieu thereof require a postpayment audit, based on cost effectiveness, public interest, or other factors the Administrator considers appropriate.

(3) Expenses for prepayment audits shall be funded by the agency’s appropriations used for the transportation services.

(4) The audit authority provided to agencies by this section is subject to oversight by the Administrator.

(b) The Administrator may conduct pre- or post-payment audits of transportation bills of any Federal agency. The number and types of bills audited shall be based on the Administrator’s judgment.

(c)(1) The Administrator shall adjudicate transportation claims which cannot be resolved by the agency procuring the transportation services, or the carrier or freight-forwarder presenting the bill.

(2) A claim under this section shall be allowed only if it is received by the Administrator not later than 3 years (excluding time of war) after the later of the following dates:

- (A) The date of accrual of the claim.

Payment to any contractor for audit services shall not exceed 50 percent of the overpayment identified by contract audit.

(f) At least annually, and as determined by the Administrator, after making adequate provision for expense of refunds to carriers, transportation audit postpayment contracts, contract administration, and other expenses authorized in subsection (e), overpayments collected by the General Services Administration shall be transferred to miscellaneous receipts of the Treasury. A report of receipts, disbursements, and transfers (to miscellaneous receipts) pursuant to this section shall be made annually in connection with the budget estimates to the Director of the Office of Management and Budget and to the Congress. This reporting requirement expires December 31, 1998.

(g) The Administrator may delegate any authority conferred by this section to another agency or agencies if the Administrator determines that such a delegation would be cost-effective or otherwise in the public interest.

(h) Under regulations the head of an agency prescribes that conform with standards the Secretary of the Treasury prescribes, a bill under this section may be paid before the transportation is completed notwithstanding section 3324 of this title when a carrier or freight forwarder issues the usual document for the transportation. Payment for transportation ordered but not provided may be recovered by deduction or other means.

(i)(1) A carrier or freight forwarder may request the Administrator of General Services to review the action of the Administrator if the request is received not later than 6 months (ex-

[Section 931(c) of Pub. L. 99-145 provided that section 931(b) is applicable to claims made or presented on or after Nov. 8, 1985.]

§ 3730. Civil actions for false claims

(a) RESPONSIBILITIES OF THE ATTORNEY GENERAL.—The Attorney General diligently shall investigate a violation under section 3729. If the Attorney General finds that a person has violated or is violating section 3729, the Attorney General may bring a civil action under this section against the person.

(b) ACTIONS BY PRIVATE PERSONS.—(1) A person may bring a civil action for a violation of section 3729 for the person and for the United States Government. The action shall be brought in the name of the Government. The action may be dismissed only if the court and the Attorney General give written consent to the dismissal and their reasons for consenting.

(2) A copy of the complaint and written disclosure of substantially all material evidence and information the person possesses shall be served on the Government pursuant to Rule 4(d)(4) of the Federal Rules of Civil Procedure. The complaint shall be filed in camera, shall remain under seal for at least 60 days, and shall not be served on the defendant until the court so orders. The Government may elect to intervene and proceed with the action within 60 days after it receives both the complaint and the material evidence and information.

(3) The Government may, for good cause shown, move the court for extensions of the time during which the complaint remains under seal under paragraph (2). Any such motions may be supported by affidavits or other submissions in camera. The defendant shall not be required to respond to any complaint filed under this section until 20 days after the complaint is unsealed and served upon the defendant pursuant to Rule 4 of the Federal Rules of Civil Procedure.

(4) Before the expiration of the 60-day period or any extensions obtained under paragraph (3), the Government shall—

(A) proceed with the action, in which case the action shall be conducted by the Government; or

(B) notify the court that it declines to take over the action, in which case the person bringing the action shall have the right to conduct the action.

(5) When a person brings an action under this subsection, no person other than the Government may intervene or bring a related action based on the facts underlying the pending action.

(c) RIGHTS OF THE PARTIES TO QUI TAM ACTIONS.—(1) If the Government proceeds with the action, it shall have the primary responsibility for prosecuting the action, and shall not be bound by an act of the person bringing the action. Such person shall have the right to continue as a party to the action, subject to the limitations set forth in paragraph (2).

(2)(A) The Government may dismiss the action notwithstanding the objections of the person initiating the action if the person has been notified by the Government of the filing of the motion and the court has provided the person with an opportunity for a hearing on the motion.

(B) The Government may settle the action with the defendant notwithstanding the objections of the person initiating the action if the court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable under all the circumstances. Upon a showing of good cause, such hearing may be held in camera.

(C) Upon a showing by the Government that unrestricted participation during the course of the litigation by the person initiating the action would interfere with or unduly delay the Government’s prosecution of the case, or would be repetitious, irrelevant, or for purposes of harassment, the court may, in its discretion, impose limitations on the person’s participation, such as—

(i) limiting the number of witnesses the person may call;

(ii) limiting the length of the testimony of such witnesses;

(iii) limiting the person’s cross-examination of witnesses; or

(iv) otherwise limiting the participation by the person in the litigation.

(D) Upon a showing by the defendant that unrestricted participation during the course of the litigation by the person initiating the action would be for purposes of harassment or would cause the defendant undue burden or unnecessary expense, the court may limit the participation by the person in the litigation.

(3) If the Government elects not to proceed with the action, the person who initiated the action shall have the right to conduct the action. If the Government so requests, it shall be served with copies of all pleadings filed in the action and shall be supplied with copies of all deposition transcripts (at the Government’s expense). When a person proceeds with the action, the court, without limiting the status and rights of

the person initiating the action, may nevertheless permit the Government to intervene at a later date upon a showing of good cause.

(4) Whether or not the Government proceeds with the action, upon a showing by the Government that certain actions of discovery by the person initiating the action would interfere with the Government's investigation or prosecution of a criminal or civil matter arising out of the same facts, the court may stay such discovery for a period of not more than 60 days. Such a showing shall be conducted in camera. The court may extend the 60-day period upon a further showing in camera that the Government has pursued the criminal or civil investigation or proceedings with reasonable diligence and any proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.

(5) Notwithstanding subsection (b), the Government may elect to pursue its claim through any alternate remedy available to the Government, including any administrative proceeding to determine a civil money penalty. If any such alternate remedy is pursued in another proceeding, the person initiating the action shall have the same rights in such proceeding as such person would have had if the action had continued under this section. Any finding of fact or conclusion of law made in such other proceeding that has become final shall be conclusive on all parties to an action under this section. For purposes of the preceding sentence, a finding or conclusion is final if it has been finally determined on appeal to the appropriate court of the United States, if all time for filing such an appeal with respect to the finding or conclusion has expired, or if the finding or conclusion is not subject to judicial review.

(d) AWARD TO QUI TAM PLAINTIFF.—(1) If the Government proceeds with an action brought by a person under subsection (b), such person shall, subject to the second sentence of this paragraph, receive at least 15 percent but not more than 25 percent of the proceeds of the action or settlement of the claim, depending upon the extent to which the person substantially contributed to the prosecution of the action. Where the action is one which the court finds to be based primarily on disclosures of specific information (other than information provided by the person bringing the action) relating to allegations or transactions in a criminal, civil, or administrative hearing, in a congressional, administrative, or Government¹ Accounting Office report, hearing, audit, or investigation, or from the news media, the court may award such sums as it considers appropriate, but in no case more than 10 percent of the proceeds, taking into account the significance of the information and the role of the person bringing the action in advancing the case to litigation. Any payment to a person under the first or second sentence of this paragraph shall be made from the proceeds. Any such person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorneys' fees and costs. All such expenses,

fees, and costs shall be awarded against the defendant.

(2) If the Government does not proceed with an action under this section, the person bringing the action or settling the claim shall receive an amount which the court decides is reasonable for collecting the civil penalty and damages. The amount shall be not less than 25 percent and not more than 30 percent of the proceeds of the action or settlement and shall be paid out of such proceeds. Such person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorneys' fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.

(3) Whether or not the Government proceeds with the action, if the court finds that the action was brought by a person who planned and initiated the violation of section 3729 upon which the action was brought, then the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the action which the person would otherwise receive under paragraph (1) or (2) of this subsection, taking into account the role of that person in advancing the case to litigation and any relevant circumstances pertaining to the violation. If the person bringing the action is convicted of criminal conduct arising from his or her role in the violation of section 3729, that person shall be dismissed from the civil action and shall not receive any share of the proceeds of the action. Such dismissal shall not prejudice the right of the United States to continue the action, represented by the Department of Justice.

(4) If the Government does not proceed with the action and the person bringing the action conducts the action, the court may award to the defendant its reasonable attorneys' fees and expenses if the defendant prevails in the action and the court finds that the claim of the person bringing the action was clearly frivolous, clearly vexatious, or brought primarily for purposes of harassment.

(e) CERTAIN ACTIONS BARRED.—(1) No court shall have jurisdiction over an action brought by a former or present member of the armed forces under subsection (b) of this section against a member of the armed forces arising out of such person's service in the armed forces.

(2)(A) No court shall have jurisdiction over an action brought under subsection (b) against a Member of Congress, a member of the judiciary, or a senior executive branch official if the action is based on evidence or information known to the Government when the action was brought.

(B) For purposes of this paragraph, "senior executive branch official" means any officer or employee listed in paragraphs (1) through (8) of section 101(f) of the Ethics in Government Act of 1978 (5 U.S.C. App.).

(3) In no event may a person bring an action under subsection (b) which is based upon allegations or transactions which are the subject of a civil suit or an administrative civil money penalty proceeding in which the Government is already a party.

(4)(A) No court shall have jurisdiction over an action under this section based upon the public

disclosure of allegations or transactions in a criminal, civil, or administrative hearing, in a congressional, administrative, or Government² Accounting Office report, hearing, audit, or investigation, or from the news media, unless the action is brought by the Attorney General or the person bringing the action is an original source of the information.

(B) For purposes of this paragraph, “original source” means an individual who has direct and independent knowledge of the information on which the allegations are based and has voluntarily provided the information to the Government before filing an action under this section which is based on the information.

(f) GOVERNMENT NOT LIABLE FOR CERTAIN EXPENSES.—The Government is not liable for expenses which a person incurs in bringing an action under this section.

(g) FEES AND EXPENSES TO PREVAILING DEFENDANT.—In civil actions brought under this section by the United States, the provisions of section 2412(d) of title 28 shall apply.

(h) Any employee who is discharged, demoted, suspended, threatened, harassed, or in any other manner discriminated against in the terms and conditions of employment by his or her employer because of lawful acts done by the employee on behalf of the employee or others in furtherance of an action under this section, including investigation for, initiation of, testimony for, or assistance in an action filed or to be filed under this section, shall be entitled to all relief necessary to make the employee whole. Such relief shall include reinstatement with the same seniority status such employee would have had but for the discrimination, 2 times the amount of back pay, interest on the back pay, and compensation for any special damages sustained as a result of the discrimination, including litigation costs and reasonable attorneys’ fees. An employee may bring an action in the appropriate district court of the United States for the relief provided in this subsection.

§ 3733. Civil investigative demands

(a) IN GENERAL.—

(1) ISSUANCE AND SERVICE.—Whenever the Attorney General has reason to believe that any person may be in possession, custody, or control of any documentary material or information relevant to a false claims law investigation, the Attorney General may, before commencing a civil proceeding under section 3730 or other false claims law, issue in writing and cause to be served upon such person, a civil investigative demand requiring such person—

(A) to produce such documentary material for inspection and copying,

(B) to answer in writing written interrogatories with respect to such documentary material or information,

(C) to give oral testimony concerning such documentary material or information, or

(D) to furnish any combination of such material, answers, or testimony.

The Attorney General may not delegate the authority to issue civil investigative demands under this subsection. Whenever a civil investigative demand is an express demand for any product of discovery, the Attorney General, the Deputy Attorney General, or an Assistant Attorney General shall cause to be served, in any manner authorized by this section, a copy of such demand upon the person from whom the discovery was obtained and shall notify the person to whom such demand is issued of the date on which such copy was served.

(2) CONTENTS AND DEADLINES.—

(A) Each civil investigative demand issued under paragraph (1) shall state the nature of the conduct constituting the alleged violation of a false claims law which is under investigation, and the applicable provision of law alleged to be violated.

(B) If such demand is for the production of documentary material, the demand shall—

(i) describe each class of documentary material to be produced with such definiteness and certainty as to permit such material to be fairly identified;

(ii) prescribe a return date for each such class which will provide a reasonable period of time within which the material so demanded may be assembled and made available for inspection and copying; and

(iii) identify the false claims law investigator to whom such material shall be made available.

(C) If such demand is for answers to written interrogatories, the demand shall—

(i) set forth with specificity the written interrogatories to be answered;

(ii) prescribe dates at which time answers to written interrogatories shall be submitted; and

(iii) identify the false claims law investigator to whom such answers shall be submitted.

(D) If such demand is for the giving of oral testimony, the demand shall—

(i) prescribe a date, time, and place at which oral testimony shall be commenced;

(ii) identify a false claims law investigator who shall conduct the examination and the custodian to whom the transcript of such examination shall be submitted;

(iii) specify that such attendance and testimony are necessary to the conduct of the investigation;

(iv) notify the person receiving the demand of the right to be accompanied by an attorney and any other representative; and

(v) describe the general purpose for which the demand is being issued and the general nature of the testimony, including the primary areas of inquiry, which will be taken pursuant to the demand.

(E) Any civil investigative demand issued under this section which is an express demand for any product of discovery shall not be returned or returnable until 20 days after a copy of such demand has been served upon the person from whom the discovery was obtained.

(F) The date prescribed for the commencement of oral testimony pursuant to a civil investigative demand issued under this section shall be a date which is not less than seven days after the date on which demand is received, unless the Attorney General or an Assistant Attorney General designated by the Attorney General determines that exceptional circumstances are present which warrant the commencement of such testimony within a lesser period of time.

(G) The Attorney General shall not authorize the issuance under this section of more than one civil investigative demand for oral testimony by the same person unless the person requests otherwise or unless the Attorney General, after investigation, notifies that person in writing that an additional demand for oral testimony is necessary. The Attorney General may not, notwithstanding section 510 of title 28, authorize the performance, by any other officer, employee, or agency, of any function vested in the Attorney General under this subparagraph.

(b) PROTECTED MATERIAL OR INFORMATION.—

(1) IN GENERAL.—A civil investigative demand issued under subsection (a) may not require the production of any documentary material, the submission of any answers to written interrogatories, or the giving of any oral testimony if such material, answers, or testimony would be protected from disclosure under—

(A) the standards applicable to subpoenas or subpoenas duces tecum issued by a court of the United States to aid in a grand jury investigation; or

(B) the standards applicable to discovery requests under the Federal Rules of Civil Procedure, to the extent that the application of such standards to any such demand is appropriate and consistent with the provisions and purposes of this section.

(2) EFFECT ON OTHER ORDERS, RULES, AND LAWS.—Any such demand which is an express demand for any product of discovery super-

sedes any inconsistent order, rule, or provision of law (other than this section) preventing or restraining disclosure of such product of discovery to any person. Disclosure of any product of discovery pursuant to any such express demand does not constitute a waiver of any right or privilege which the person making such disclosure may be entitled to invoke to resist discovery of trial preparation materials.

(c) SERVICE; JURISDICTION.—

(1) BY WHOM SERVED.—Any civil investigative demand issued under subsection (a) may be served by a false claims law investigator, or by a United States marshal or a deputy marshal, at any place within the territorial jurisdiction of any court of the United States.

(2) SERVICE IN FOREIGN COUNTRIES.—Any such demand or any petition filed under subsection (j) may be served upon any person who is not found within the territorial jurisdiction of any court of the United States in such manner as the Federal Rules of Civil Procedure prescribe for service in a foreign country. To the extent that the courts of the United States can assert jurisdiction over any such person consistent with due process, the United States District Court for the District of Columbia shall have the same jurisdiction to take any action respecting compliance with this section by any such person that such court would have if such person were personally within the jurisdiction of such court.

(d) SERVICE UPON LEGAL ENTITIES AND NATURAL PERSONS.—

(1) LEGAL ENTITIES.—Service of any civil investigative demand issued under subsection (a) or of any petition filed under subsection (j) may be made upon a partnership, corporation, association, or other legal entity by—

(A) delivering an executed copy of such demand or petition to any partner, executive officer, managing agent, or general agent of the partnership, corporation, association, or entity, or to any agent authorized by appointment or by law to receive service of process on behalf of such partnership, corporation, association, or entity;

(B) delivering an executed copy of such demand or petition to the principal office or place of business of the partnership, corporation, association, or entity; or

(C) depositing an executed copy of such demand or petition in the United States mails by registered or certified mail, with a return receipt requested, addressed to such partnership, corporation, association, or entity at its principal office or place of business.

(2) NATURAL PERSONS.—Service of any such demand or petition may be made upon any natural person by—

(A) delivering an executed copy of such demand or petition to the person; or

(B) depositing an executed copy of such demand or petition in the United States mails by registered or certified mail, with a return receipt requested, addressed to the person at the person's residence or principal office or place of business.

(e) PROOF OF SERVICE.—A verified return by the individual serving any civil investigative de-

mand issued under subsection (a) or any petition filed under subsection (j) setting forth the manner of such service shall be proof of such service. In the case of service by registered or certified mail, such return shall be accompanied by the return post office receipt of delivery of such demand.

(f) DOCUMENTARY MATERIAL.—

(1) SWORN CERTIFICATES.—The production of documentary material in response to a civil investigative demand served under this section shall be made under a sworn certificate, in such form as the demand designates, by—

(A) in the case of a natural person, the person to whom the demand is directed, or

(B) in the case of a person other than a natural person, a person having knowledge of the facts and circumstances relating to such production and authorized to act on behalf of such person.

The certificate shall state that all of the documentary material required by the demand and in the possession, custody, or control of the person to whom the demand is directed has been produced and made available to the false claims law investigator identified in the demand.

(2) PRODUCTION OF MATERIALS.—Any person upon whom any civil investigative demand for the production of documentary material has been served under this section shall make such material available for inspection and copying to the false claims law investigator identified in such demand at the principal place of business of such person, or at such other place as the false claims law investigator and the person thereafter may agree and prescribe in writing, or as the court may direct under subsection (j)(1). Such material shall be made so available on the return date specified in such demand, or on such later date as the false claims law investigator may prescribe in writing. Such person may, upon written agreement between the person and the false claims law investigator, substitute copies for originals of all or any part of such material.

(g) INTERROGATORIES.—Each interrogatory in a civil investigative demand served under this section shall be answered separately and fully in writing under oath and shall be submitted under a sworn certificate, in such form as the demand designates, by—

(1) in the case of a natural person, the person to whom the demand is directed, or

(2) in the case of a person other than a natural person, the person or persons responsible for answering each interrogatory.

If any interrogatory is objected to, the reasons for the objection shall be stated in the certificate instead of an answer. The certificate shall state that all information required by the demand and in the possession, custody, control, or knowledge of the person to whom the demand is directed has been submitted. To the extent that any information is not furnished, the information shall be identified and reasons set forth with particularity regarding the reasons why the information was not furnished.

(h) ORAL EXAMINATIONS.—

(1) PROCEDURES.—The examination of any person pursuant to a civil investigative de-

mand for oral testimony served under this section shall be taken before an officer authorized to administer oaths and affirmations by the laws of the United States or of the place where the examination is held. The officer before whom the testimony is to be taken shall put the witness on oath or affirmation and shall, personally or by someone acting under the direction of the officer and in the officer's presence, record the testimony of the witness. The testimony shall be taken stenographically and shall be transcribed. When the testimony is fully transcribed, the officer before whom the testimony is taken shall promptly transmit a copy of the transcript of the testimony to the custodian. This subsection shall not preclude the taking of testimony by any means authorized by, and in a manner consistent with, the Federal Rules of Civil Procedure.

(2) PERSONS PRESENT.—The false claims law investigator conducting the examination shall exclude from the place where the examination is held all persons except the person giving the testimony, the attorney for and any other representative of the person giving the testimony, the attorney for the Government, any person who may be agreed upon by the attorney for the Government and the person giving the testimony, the officer before whom the testimony is to be taken, and any stenographer taking such testimony.

(3) WHERE TESTIMONY TAKEN.—The oral testimony of any person taken pursuant to a civil investigative demand served under this section shall be taken in the judicial district of the United States within which such person resides, is found, or transacts business, or in such other place as may be agreed upon by the false claims law investigator conducting the examination and such person.

(4) TRANSCRIPT OF TESTIMONY.—When the testimony is fully transcribed, the false claims law investigator or the officer before whom the testimony is taken shall afford the witness, who may be accompanied by counsel, a reasonable opportunity to examine and read the transcript, unless such examination and reading are waived by the witness. Any changes in form or substance which the witness desires to make shall be entered and identified upon the transcript by the officer or the false claims law investigator, with a statement of the reasons given by the witness for making such changes. The transcript shall then be signed by the witness, unless the witness in writing waives the signing, is ill, cannot be found, or refuses to sign. If the transcript is not signed by the witness within 30 days after being afforded a reasonable opportunity to examine it, the officer or the false claims law investigator shall sign it and state on the record the fact of the waiver, illness, absence of the witness, or the refusal to sign, together with the reasons, if any, given therefor.

(5) CERTIFICATION AND DELIVERY TO CUSTODIAN.—The officer before whom the testimony is taken shall certify on the transcript that the witness was sworn by the officer and that the transcript is a true record of the testimony given by the witness, and the officer or

false claims law investigator shall promptly deliver the transcript, or send the transcript by registered or certified mail, to the custodian.

(6) FURNISHING OR INSPECTION OF TRANSCRIPT BY WITNESS.—Upon payment of reasonable charges therefor, the false claims law investigator shall furnish a copy of the transcript to the witness only, except that the Attorney General, the Deputy Attorney General, or an Assistant Attorney General may, for good cause, limit such witness to inspection of the official transcript of the witness' testimony.

(7) CONDUCT OF ORAL TESTIMONY.—(A) Any person compelled to appear for oral testimony under a civil investigative demand issued under subsection (a) may be accompanied, represented, and advised by counsel. Counsel may advise such person, in confidence, with respect to any question asked of such person. Such person or counsel may object on the record to any question, in whole or in part, and shall briefly state for the record the reason for the objection. An objection may be made, received, and entered upon the record when it is claimed that such person is entitled to refuse to answer the question on the grounds of any constitutional or other legal right or privilege, including the privilege against self-incrimination. Such person may not otherwise object to or refuse to answer any question, and may not directly or through counsel otherwise interrupt the oral examination. If such person refuses to answer any question, a petition may be filed in the district court of the United States under subsection (j)(1) for an order compelling such person to answer such question.

(B) If such person refuses to answer any question on the grounds of the privilege against self-incrimination, the testimony of such person may be compelled in accordance with the provisions of part V of title 18.

(8) WITNESS FEES AND ALLOWANCES.—Any person appearing for oral testimony under a civil investigative demand issued under subsection (a) shall be entitled to the same fees and allowances which are paid to witnesses in the district courts of the United States.

(i) CUSTODIANS OF DOCUMENTS, ANSWERS, AND TRANSCRIPTS.—

(1) DESIGNATION.—The Attorney General shall designate a false claims law investigator to serve as custodian of documentary material, answers to interrogatories, and transcripts of oral testimony received under this section, and shall designate such additional false claims law investigators as the Attorney General determines from time to time to be necessary to serve as deputies to the custodian.

(2) RESPONSIBILITY FOR MATERIALS; DISCLOSURE.—(A) A false claims law investigator who receives any documentary material, answers to interrogatories, or transcripts of oral testimony under this section shall transmit them to the custodian. The custodian shall take physical possession of such material, answers, or transcripts and shall be responsible for the use made of them and for the return of documentary material under paragraph (4).

(B) The custodian may cause the preparation of such copies of such documentary material, answers to interrogatories, or transcripts of oral testimony as may be required for official use by any false claims law investigator, or other officer or employee of the Department of Justice, who is authorized for such use under regulations which the Attorney General shall issue. Such material, answers, and transcripts may be used by any such authorized false claims law investigator or other officer or employee in connection with the taking of oral testimony under this section.

(C) Except as otherwise provided in this subsection, no documentary material, answers to interrogatories, or transcripts of oral testimony, or copies thereof, while in the possession of the custodian, shall be available for examination by any individual other than a false claims law investigator or other officer or employee of the Department of Justice authorized under subparagraph (B). The prohibition in the preceding sentence on the availability of material, answers, or transcripts shall not apply if consent is given by the person who produced such material, answers, or transcripts, or, in the case of any product of discovery produced pursuant to an express demand for such material, consent is given by the person from whom the discovery was obtained. Nothing in this subparagraph is intended to prevent disclosure to the Congress, including any committee or subcommittee of the Congress, or to any other agency of the United States for use by such agency in furtherance of its statutory responsibilities. Disclosure of information to any such other agency shall be allowed only upon application, made by the Attorney General to a United States district court, showing substantial need for the use of the information by such agency in furtherance of its statutory responsibilities.

(D) While in the possession of the custodian and under such reasonable terms and conditions as the Attorney General shall prescribe—

(i) documentary material and answers to interrogatories shall be available for examination by the person who produced such material or answers, or by a representative of that person authorized by that person to examine such material and answers; and

(ii) transcripts of oral testimony shall be available for examination by the person who produced such testimony, or by a representative of that person authorized by that person to examine such transcripts.

(3) USE OF MATERIAL, ANSWERS, OR TRANSCRIPTS IN OTHER PROCEEDINGS.—Whenever any attorney of the Department of Justice has been designated to appear before any court, grand jury, or Federal agency in any case or proceeding, the custodian of any documentary material, answers to interrogatories, or transcripts of oral testimony received under this section may deliver to such attorney such material, answers, or transcripts for official use in connection with any such case or proceeding as such attorney determines to be required. Upon the completion of any such case or proceeding, such attorney shall return to the custodian any such material, answers, or

transcripts so delivered which have not passed into the control of such court, grand jury, or agency through introduction into the record of such case or proceeding.

(4) CONDITIONS FOR RETURN OF MATERIAL.—If any documentary material has been produced by any person in the course of any false claims law investigation pursuant to a civil investigative demand under this section, and—

(A) any case or proceeding before the court or grand jury arising out of such investigation, or any proceeding before any Federal agency involving such material, has been completed, or

(B) no case or proceeding in which such material may be used has been commenced within a reasonable time after completion of the examination and analysis of all documentary material and other information assembled in the course of such investigation,

the custodian shall, upon written request of the person who produced such material, return to such person any such material (other than copies furnished to the false claims law investigator under subsection (f)(2) or made for the Department of Justice under paragraph (2)(B)) which has not passed into the control of any court, grand jury, or agency through introduction into the record of such case or proceeding.

(5) APPOINTMENT OF SUCCESSOR CUSTODIANS.—In the event of the death, disability, or separation from service in the Department of Justice of the custodian of any documentary material, answers to interrogatories, or transcripts of oral testimony produced pursuant to a civil investigative demand under this section, or in the event of the official relief of such custodian from responsibility for the custody and control of such material, answers, or transcripts, the Attorney General shall promptly—

(A) designate another false claims law investigator to serve as custodian of such material, answers, or transcripts, and

(B) transmit in writing to the person who produced such material, answers, or testimony notice of the identity and address of the successor so designated.

Any person who is designated to be a successor under this paragraph shall have, with regard to such material, answers, or transcripts, the same duties and responsibilities as were imposed by this section upon that person's predecessor in office, except that the successor shall not be held responsible for any default or dereliction which occurred before that designation.

(j) JUDICIAL PROCEEDINGS.—

(1) PETITION FOR ENFORCEMENT.—Whenever any person fails to comply with any civil investigative demand issued under subsection (a), or whenever satisfactory copying or reproduction of any material requested in such demand cannot be done and such person refuses to surrender such material, the Attorney General may file, in the district court of the United States for any judicial district in which such person resides, is found, or transacts business, and serve upon such person a petition for an order of such court for the enforcement of the civil investigative demand.

(2) PETITION TO MODIFY OR SET ASIDE DEMAND.—(A) Any person who has received a civil investigative demand issued under subsection (a) may file, in the district court of the United States for the judicial district within which such person resides, is found, or transacts business, and serve upon the false claims law investigator identified in such demand a petition for an order of the court to modify or set aside such demand. In the case of a petition addressed to an express demand for any product of discovery, a petition to modify or set aside such demand may be brought only in the district court of the United States for the judicial district in which the proceeding in which such discovery was obtained is or was last pending. Any petition under this subparagraph must be filed—

(i) within 20 days after the date of service of the civil investigative demand, or at any time before the return date specified in the demand, whichever date is earlier, or

(ii) within such longer period as may be prescribed in writing by any false claims law investigator identified in the demand.

(B) The petition shall specify each ground upon which the petitioner relies in seeking relief under subparagraph (A), and may be based upon any failure of the demand to comply with the provisions of this section or upon any constitutional or other legal right or privilege of such person. During the pendency of the petition in the court, the court may stay, as it deems proper, the running of the time allowed for compliance with the demand, in whole or in part, except that the person filing the petition shall comply with any portions of the demand not sought to be modified or set aside.

(3) PETITION TO MODIFY OR SET ASIDE DEMAND FOR PRODUCT OF DISCOVERY.—(A) In the case of any civil investigative demand issued under subsection (a) which is an express demand for any product of discovery, the person from whom such discovery was obtained may file, in the district court of the United States for the judicial district in which the proceeding in which such discovery was obtained is or was last pending, and serve upon any false claims law investigator identified in the demand and upon the recipient of the demand, a petition for an order of such court to modify or set aside those portions of the demand requiring production of any such product of discovery. Any petition under this subparagraph must be filed—

(i) within 20 days after the date of service of the civil investigative demand, or at any time before the return date specified in the demand, whichever date is earlier, or

(ii) within such longer period as may be prescribed in writing by any false claims law investigator identified in the demand.

(B) The petition shall specify each ground upon which the petitioner relies in seeking relief under subparagraph (A), and may be based upon any failure of the portions of the demand from which relief is sought to comply with the provisions of this section, or upon any constitutional or other legal right or privilege of the petitioner. During the pendency of the pe-

tition, the court may stay, as it deems proper, compliance with the demand and the running of the time allowed for compliance with the demand.

(4) PETITION TO REQUIRE PERFORMANCE BY CUSTODIAN OF DUTIES.—At any time during which any custodian is in custody or control of any documentary material or answers to interrogatories produced, or transcripts of oral testimony given, by any person in compliance with any civil investigative demand issued under subsection (a), such person, and in the case of an express demand for any product of discovery, the person from whom such discovery was obtained, may file, in the district court of the United States for the judicial district within which the office of such custodian is situated, and serve upon such custodian, a petition for an order of such court to require the performance by the custodian of any duty imposed upon the custodian by this section.

(5) JURISDICTION.—Whenever any petition is filed in any district court of the United States under this subsection, such court shall have jurisdiction to hear and determine the matter so presented, and to enter such order or orders as may be required to carry out the provisions of this section. Any final order so entered shall be subject to appeal under section 1291 of title 28. Any disobedience of any final order entered under this section by any court shall be punished as a contempt of the court.

(6) APPLICABILITY OF FEDERAL RULES OF CIVIL PROCEDURE.—The Federal Rules of Civil Procedure shall apply to any petition under this subsection, to the extent that such rules are not inconsistent with the provisions of this section.

(k) DISCLOSURE EXEMPTION.—Any documentary material, answers to written interrogatories, or oral testimony provided under any civil investigative demand issued under subsection (a) shall be exempt from disclosure under section 552 of title 5.

Any such determination shall be based on the preponderance of the evidence.

§ 3804. Subpoena authority

(a) For the purposes of an investigation under section 3803(a)(1) of this title, an investigating official is authorized to require by subpoena the production of all information, documents, reports, answers, records, accounts, papers, and data not otherwise reasonably available to the authority.

(b) For the purposes of conducting a hearing under section 3803(f) of this title, a presiding officer is authorized—

(1) to administer oaths or affirmations; and

(2) to require by subpoena the attendance and testimony of witnesses and the production of all information, documents, reports, answers, records, accounts, papers, and other data and documentary evidence which the presiding officer considers relevant and material to the hearing.

(c) In the case of contumacy or refusal to obey a subpoena issued pursuant to subsection (a) or (b) of this section, the district courts of the United States shall have jurisdiction to issue an appropriate order for the enforcement of any such subpoena. Any failure to obey such order of the court is punishable by such court as contempt. In any case in which an authority seeks the enforcement of a subpoena issued pursuant to subsection (a) or (b) of this section, the authority shall request the Attorney General to petition any district court in which a hearing under this chapter is being conducted, or in which the person receiving the subpoena resides or conducts business, to issue such an order.

(Added Pub. L. 99-509, title VI, §6103(a), Oct. 21, 1986, 100 Stat. 1944.)

§ 3805. Judicial review

(a)(1) A determination by a reviewing official under section 3803 of this title shall be final and shall not be subject to judicial review.

(2) Unless a petition is filed under this section, a determination under section 3803 of this title that a person is liable under section 3802 of this title shall be final and shall not be subject to judicial review.

(b)(1)(A) Any person who has been determined to be liable under section 3802 of this title pursuant to section 3803 of this title may obtain review of such determination in—

(i) the United States district court for the district in which such person resides or transacts business;

(ii) the United States district court for the district in which the claim or statement upon which the determination of liability is based was made, presented, or submitted; or

(iii) the United States District Court for the District of Columbia.

(B) Such review may be obtained by filing in any such court a written petition that such determination be modified or set aside. Such petition shall be filed—

(i) only after such person has exhausted all administrative remedies under this chapter; and

(ii) within 60 days after the date on which the authority head sends such person a copy of the decision of such authority head under section 3803(i)(2) of this title.

(2) The clerk of the court shall transmit a copy of a petition filed under paragraph (1) of this subsection to the authority and to the Attorney General. Upon receipt of the copy of such petition, the authority shall transmit to the Attorney General the record in the proceeding resulting in the determination of liability under section 3802 of this title. Except as otherwise provided in this section, the district courts of the United States shall have jurisdiction to review the decision, findings, and determinations in issue and to affirm, modify, remand for further consideration, or set aside, in whole or in part, the decision, findings, and determinations of the authority, and to enforce such decision, findings, and determinations to the extent that such decision, findings, and determinations are affirmed or modified.

(c) The decisions, findings, and determinations of the authority with respect to questions of fact shall be final and conclusive, and shall not be set aside unless such decisions, findings, and determinations are found by the court to be unsupported by substantial evidence. In concluding whether the decisions, findings, and determinations of an authority are unsupported by substantial evidence, the court shall review the whole record or those parts of it cited by a party, and due account shall be taken of the rule of prejudicial error.

(d) Any district court reviewing under this section the decision, findings, and determinations of an authority shall not consider any objection that was not raised in the hearing conducted pursuant to section 3803(f) of this title unless a demonstration is made of extraordinary circumstances causing the failure to raise the objection. If any party demonstrates to the satisfaction of the court that additional evidence not presented at such hearing is material and that there were reasonable grounds for the failure to present such evidence at such hearing, the court shall remand the matter to the authority for consideration of such additional evidence.

(e) Upon a final determination by the district court that a person is liable under section 3802 of this title, the court shall enter a final judgment for the appropriate amount in favor of the United States.

(Added Pub. L. 99-509, title VI, §6103(a), Oct. 21, 1986, 100 Stat. 1944.)

In any such action, no matter that was raised or that could have been raised in a hearing conducted under section 3803(f) of this title or pursuant to judicial review under section 3805 of this title may be raised as a defense, and the determination of liability and the determination of amounts of penalties and assessments shall not be subject to review.

(c) The district courts of the United States shall have jurisdiction of any action commenced by the United States under subsection (b) of this section.

(d) Any action under subsection (b) of this section may, without regard to venue requirements, be joined and consolidated with or asserted as a counterclaim, cross-claim, or setoff by the United States in any other civil action which includes as parties the United States and the person against whom such action may be brought.

(f) The Attorney General shall have exclusive authority to compromise or settle any penalty or assessment the determination of which is the subject of a pending petition pursuant to section 3805 of this title or a pending action to recover such penalty or assessment pursuant to this section.

(g)(1) Except as provided in paragraph (2) of this subsection, any amount of penalty or assessment collected under this chapter shall be deposited as miscellaneous receipts in the Treasury of the United States.

1988—Pub. L. 100-496, § 9(b), Oct. 17, 1988, 102 Stat. 2463, added item 3905 and redesignated former items 3905 and 3906 as 3906 and 3907, respectively.

§ 3901. Definitions and application

(a) In this chapter—

(1) “agency” has the same meaning given that term in section 551(1) of title 5 and includes an entity being operated, and the head of the agency identifies the entity as being operated, only as an instrumentality of the agency to carry out a program of the agency.

(2) “business concern” means—

(A) a person carrying on a trade or business; and

(B) a nonprofit entity operating as a contractor.

(3) “proper invoice” is an invoice containing or accompanied by substantiating documentation the Director of the Office of Management and Budget may require by regulation and the head of the appropriate agency may require by regulation or contract.

(4) for the purposes of determining a payment due date and the date upon which any late payment interest penalty shall begin to accrue, the head of the agency is deemed to receive an invoice—

(A) on the later of—

(i) the date on which the place or person designated by the agency to first receive such invoice actually receives a proper invoice; or

(ii) on the 7th day after the date on which, in accordance with the terms and conditions of the contract, the property is actually delivered or performance of the services is actually completed, as the case may be, unless—

(I) the agency has actually accepted such property or services before such 7th day; or

(II) the contract (except in the case of a contract for the procurement of a brand-name commercial item for authorized resale) specifies a longer acceptance period, as determined by the contracting officer to be required to afford the agency a practicable opportunity to inspect

and test the property furnished or evaluate the services performed; or

(B) on the date of the invoice, if the agency has failed to annotate the invoice with the date of receipt at the time of actual receipt by the place or person designated by the agency to first receive such invoice.

(5) a payment is deemed to be made on the date a check for payment is dated or an electronic fund transfer is made.

(6) a contract to rent property is deemed to be a contract to acquire the property.

(b) This chapter applies to the Tennessee Valley Authority. However, regulations prescribed under this chapter do not apply to the Authority, and the Authority alone is responsible for carrying out this chapter as it applies to contracts of the Authority.

(c) This chapter applies to the United States Postal Service. However, the Postmaster General shall be responsible for issuing the implementing procurement regulations, solicitation provisions, and contract clauses for the United States Postal Service.

(d)(1) Notwithstanding subsection (a)(1) of this section, this chapter, except section 3907 of this title, applies to the District of Columbia Courts.

(2) A claim for an interest penalty not paid under this chapter may be filed in the same manner as claims are filed with respect to contracts to provide property or services for the District of Columbia Courts.

(3)(A) Except as provided in subparagraph (B), an interest penalty under this chapter does not continue to accrue for more than one year or after a claim for an interest penalty is filed in the manner described in paragraph (2), whichever is earlier.

(B) If a claim for an interest penalty is filed in the manner described in paragraph (2) and interest is not available for such claims under the laws and regulations governing claims under contracts to provide property or services for the District of Columbia Courts, interest will accrue under this chapter as provided in paragraph (A) and from the date the claim is filed until the date the claim is paid.

(4) Paragraph (3) of this subsection does not prevent an interest penalty from accruing on a claim if such interest is available for such claim under the laws and regulations governing claims under contracts to provide property or services for the District of Columbia Courts. Such interest may accrue on an unpaid contract payment and on the unpaid penalty under this chapter.

(5) Except as provided in section 3904 of this title, this chapter does not require an interest penalty on a payment that is not made because of a dispute between the head of an agency and a business concern over the amount of payment or compliance with the contract. A claim related to the dispute, and any interest payable for the period during which the dispute is being resolved, is subject to the laws and regulations governing claims under contracts to provide property or services for the District of Columbia Courts.

Amendment by section 2(a), (b) of Pub. L. 100-496 applicable to payments under contracts awarded, contracts renewed, and contract options exercised during or after the first fiscal quarter which begins more than 90 days after Oct. 17, 1988, and amendment by section 2(c)(1) of Pub. SHORT TITLE OF 1988 AMENDMENT

Section 1 of Pub. L. 100-496 provided that: “This Act [enacting section 3905 of this title, amending this section, sections 3902 to 3904 and 3906 of this title, section 644 of Title 15, Commerce and Trade, and section 410 of Title 39, Postal Service, renumbering sections 3905 and 3906 of this title as 3906 and 3907, respectively, enacting provisions set out as notes under sections 3902, 3903, and 3906 of this title, and repealing provisions set out as a note under section 3903 of this title] may be cited as the ‘Prompt Payment Act Amendments of 1988’.”

§ 3902. Interest penalties

(a) Under regulations prescribed under section 3903 of this title, the head of an agency acquiring property or service from a business concern,

who does not pay the concern for each complete delivered item of property or service by the required payment date, shall pay an interest penalty to the concern on the amount of the payment due. The interest shall be computed at the rate of interest established by the Secretary of the Treasury, and published in the Federal Register, for interest payments under section 12 of the Contract Disputes Act of 1978 (41 U.S.C. 611), which is in effect at the time the agency accrues the obligation to pay a late payment interest penalty.

(b) The interest penalty shall be paid for the period beginning on the day after the required payment date and ending on the date on which payment is made.

(c)(1) A business concern shall be entitled to an interest penalty of \$1.00 or more which is owed such business concern under this section, and such penalty shall be paid without regard to whether the business concern has requested payment of such penalty.

(2) Each payment subject to this chapter for which a late payment interest penalty is required to be paid shall be accompanied by a notice stating the amount of the interest penalty included in such payment and the rate by which, and period for which, such penalty was computed.

(3) If a business concern—

(A) is owed an interest penalty by an agency;

(B) is not paid the interest penalty in a payment made to the business concern by the agency on or after the date on which the interest penalty becomes due;

(C) is not paid the interest penalty by the agency within 10 days after the date on which such payment is made; and

(D) makes a written demand, not later than 40 days after the date on which such payment is made, that the agency pay such a penalty,

such business concern shall be entitled to an amount equal to the sum of the late payment interest penalty to which the contractor is entitled and an additional penalty equal to a percentage of such late payment interest penalty specified by regulation by the Director of the Office of Management and Budget, subject to such maximum as may be specified in such regulations.

(d) The temporary unavailability of funds to make a timely payment due for property or services does not relieve the head of an agency from the obligation to pay interest penalties under this section.

(e) An amount of an interest penalty unpaid after any 30-day period shall be added to the principal amount of the debt, and a penalty accrues thereafter on the added amount.

(f) This section does not authorize the appropriation of additional amounts to pay an interest penalty. The head of an agency shall pay a penalty under this section out of amounts made available to carry out the program for which the penalty is incurred.

(g) A recipient of a grant from the head of an agency may provide in a contract for the acquisition of property or service from a business concern that, consistent with the usual business practices of the recipient and applicable State and local law, the recipient will pay an interest

penalty on amounts overdue under the contract under conditions agreed to by the recipient and the concern. The recipient may not pay the penalty from amounts received from an agency. Amounts expended for the penalty may not be counted toward a matching requirement applicable to the grant. An obligation to pay the penalty is not an obligation of the United States Government.

(h)(1) This section shall apply to contracts for the procurement of property or services entered into pursuant to section 4(h) of the Act of June 29, 1948 (15 U.S.C. 714b(h)).

(2)(A) In the case of a payment to which producers on a farm are entitled under the terms of an agreement entered into under the Agricultural Act of 1949 (7 U.S.C. 1421 et seq.), an interest penalty shall be paid to the producers if the payment has not been made by the required payment or loan closing date. The interest penalty shall be paid—

(i) on the amount of payment or loan due; and

(ii) for the period beginning on the first day beginning after the required payment or loan closing date and ending on the date the amount is paid or loaned.

(B) As used in this subsection, the “required payment or loan closing date” means—

(i) for a purchase agreement, the 30th day after delivery of the warehouse receipt for the commodity subject to the purchase agreement;

(ii) for a loan agreement, the 30th day beginning after the date of receipt of an application with all requisite documentation and signatures, unless the applicant requests that the disbursement be deferred;

(iii) for refund of amounts received greater than the amount required to repay a commodity loan, the first business day after the Commodity Credit Corporation receives payment for such loan;

(iv) for land diversion payments (other than advance payments), the 30th day beginning after the date of completion of the production adjustment contract by the producer;

(v) for an advance land diversion payment, 30 days after the date the Commodity Credit Corporation executes the contract with the producer;

(vi) for a deficiency payment (other than advance payments) based upon a 12-month or 5-month period, 91 days after the end of such period; or

(vii) for an advance deficiency payment, 30 days after the date the Commodity Credit Corporation executes the contract with the producer.

(3) Payment of the interest penalty under this subsection shall be made out of funds available under section 8 of the Act of June 29, 1948 (15 U.S.C. 714f).

(4) Section 3907 of this title shall not apply to interest penalty payments made under this subsection.

(Added Pub. L. 97-452, §1(18)(A), Jan. 12, 1983, 96 Stat. 2475; amended Pub. L. 98-216, §1(6), Feb. 14, 1984, 98 Stat. 4; Pub. L. 100-496, §3, Oct. 17, 1988, 102 Stat. 2456; Pub. L. 105-362, title XIII, §1301(c)(2)(B), Nov. 10, 1998, 112 Stat. 3293.)

(2) The agency shall return any such payment request which is defective to the contractor within 7 days after receipt, with a statement identifying the defect.

(c) A contract for the procurement of subsistence items that is entered into under the prime vendor program of the Defense Logistics Agency

The required payment date specified in the contract shall be consistent with prevailing industry practices for the subsistence items, but may not be more than 10 days after the date of receipt of the invoice or the certified date of receipt of the items. AMENDMENTS

1988—Pub. L. 100-496 inserted after first sentence “For the purpose of the preceding sentence, the specified time shall be determined from the date of the invoice.”

EFFECTIVE DATE OF 1988 AMENDMENT

Amendment by Pub. L. 100-496 applicable to payments under contracts awarded, contracts renewed, and contract options exercised during or after the first fiscal quarter which begins more than 90 days after Oct. 17, 1988, see section 14(a) of Pub. L. 100-496, set out as a note under section 3902 of this title.

§ 3905. Payment provisions relating to construction contracts

(a) In the event that a contractor, after making a certified payment request to an agency pursuant to section 3903(b) of this title, discovers that a portion or all of such payment request constitutes a payment for performance by such contractor that fails to conform to the specifications, terms, and conditions of its contract (hereafter in this subsection referred to as the “unearned amount”), then the contractor shall—

(1) notify the agency of such performance deficiency; and

(2) be obligated to pay the Government an amount equal to interest on the unearned amount (computed in the manner provided in section 3903(c) of this title), from the date of the contractor’s receipt of such unearned amount until—

(A) the date the contractor notifies the agency that the performance deficiency has been corrected; or

(B) the date the contractor reduces the amount of any subsequent certified application for payment to such agency by an amount equal to the unearned amount.

(b) Each construction contract awarded by an agency shall include a clause that requires the prime contractor to include in each subcontract for property or services entered into by the prime contractor and a subcontractor (including a material supplier) for the purpose of performing such construction contract—

(1) a payment clause which obligates the prime contractor to pay the subcontractor for satisfactory performance under its subcontract within 7 days out of such amounts as are paid to the prime contractor by the agency under such contract; and

(2) an interest penalty clause which obligates the prime contractor to pay to the subcontractor an interest penalty on amounts due in the case of each payment not made in accordance with the payment clause included in the subcontract pursuant to paragraph (1) of this subsection—

(A) for the period beginning on the day after the required payment date and ending on the date on which payment of the amount due is made; and

(B) computed at the rate specified by section 3902(a) of this title.

(c) The construction contract awarded by the agency shall further require the prime contractor to include in each of its subcontracts (for the purpose of performance of such construction contract) a provision requiring the subcontractor to include a payment clause and an interest penalty clause conforming to the standards of subsection (b) of this section in each of its subcontracts and to require each of its subcontractors to include such clauses in their subcontracts with each lower-tier subcontractor or supplier.

(d) The clauses required by subsections (b) and (c) of this section shall not be construed to impair the right of a prime contractor or a subcontractor at any tier to negotiate, and to include in their subcontract, provisions which—

(1) permit the prime contractor or a subcontractor to retain (without cause) a specified percentage of each progress payment otherwise due to a subcontractor for satisfactory performance under the subcontract, without incurring any obligation to pay a late payment interest penalty, in accordance with terms and conditions agreed to by the parties to the subcontract, giving such recognition as the parties deem appropriate to the ability of a subcontractor to furnish a performance bond and a payment bond;

(2) permit the contractor or subcontractor to make a determination that part or all of the subcontractor’s request for payment may be withheld in accordance with the subcontract agreement; and

(3) permit such withholding without incurring any obligation to pay a late payment penalty if—

(A) a notice conforming to the standards of subsection (g) of this section has been previously furnished to the subcontractor; and

(B) a copy of any notice issued by a prime contractor pursuant to subparagraph (A) of this paragraph has been furnished to the Government.

(e) If a prime contractor, after making application to an agency for payment under a con-

tract but before making a payment to a subcontractor for the subcontractor's performance covered by such application, discovers that all or a portion of the payment otherwise due such subcontractor is subject to withholding from the subcontractor in accordance with the subcontract agreement, then the prime contractor shall—

(1) furnish to the subcontractor a notice conforming to the standards of subsection (g) of this section as soon as practicable upon ascertaining the cause giving rise to a withholding, but prior to the due date for subcontractor payment;

(2) furnish to the Government, as soon as practicable, a copy of the notice furnished to the subcontractor pursuant to paragraph (1) of this subsection;

(3) reduce the subcontractor's progress payment by an amount not to exceed the amount specified in the notice of withholding furnished under paragraph (1) of this subsection;

(4) pay the subcontractor as soon as practicable after the correction of the identified subcontract performance deficiency, and—

(A) make such payment within—

(i) 7 days after correction of the identified subcontract performance deficiency (unless the funds therefor must be recovered from the Government because of a reduction under paragraph (5)(A)); or

(ii) 7 days after the contractor recovers such funds from the Government; or

(B) incur an obligation to pay a late payment interest penalty computed at the rate specified by section 3902(a) of this title;

(5) notify the Government, upon—

(A) reduction of the amount of any subsequent certified application for payment; or

(B) payment to the subcontractor of any withheld amounts of a progress payment, specifying—

(i) the amounts of the progress payments withheld under paragraph (1) of this subsection; and

(ii) the dates that such withholding began and ended; and

(6) be obligated to pay to the Government an amount equal to interest on the withheld payments (computed in the manner provided in section 3903(c) of this title), from the 8th day after receipt of the withheld amounts from the Government until—

(A) the day the identified subcontractor performance deficiency is corrected; or

(B) the date that any subsequent payment is reduced under paragraph (5)(A).

(f)(1) If a prime contractor, after making payment to a first-tier subcontractor, receives from a supplier or subcontractor of the first-tier subcontractor (hereafter referred to as a "second-tier subcontractor") a written notice in accordance with section 3133(b) of title 40, asserting a deficiency in such first-tier subcontractor's performance under the contract for which the prime contractor may be ultimately liable, and the prime contractor determines that all or a portion of future payments otherwise due such first-tier subcontractor is subject to withhold-

ing in accordance with the subcontract agreement, then the prime contractor may, without incurring an obligation to pay an interest penalty under subsection (e)(6) of this section—

(A) furnish to the first-tier subcontractor a notice conforming to the standards of subsection (g) of this section as soon as practicable upon making such determination; and

(B) withhold from the first-tier subcontractor's next available progress payment or payments an amount not to exceed the amount specified in the notice of withholding furnished under subparagraph (A) of this paragraph.

(2) As soon as practicable, but not later than 7 days after receipt of satisfactory written notification that the identified subcontract performance deficiency has been corrected, the prime contractor shall pay the amount withheld under paragraph (1)(B) of this subsection to such first-tier subcontractor, or shall incur an obligation to pay a late payment interest penalty to such first-tier subcontractor computed at the rate specified by section 3902(a) of this title.

(g) A written notice of any withholding shall be issued to a subcontractor (with a copy to the Government of any such notice issued by a prime contractor), specifying—

(1) the amount to be withheld;

(2) the specific causes for the withholding under the terms of the subcontract; and

(3) the remedial actions to be taken by the subcontractor in order to receive payment of the amounts withheld.

(h) A prime contractor may not request payment from the agency of any amount withheld or retained in accordance with subsection (d) of this section until such time as the prime contractor has determined and certified to the agency that the subcontractor is entitled to the payment of such amount.

(i) A dispute between a contractor and subcontractor relating to the amount or entitlement of a subcontractor to a payment or a late payment interest penalty under a clause included in the subcontract pursuant to subsection (b) or (c) of this section does not constitute a dispute to which the United States is a party. The United States may not be interpleaded in any judicial or administrative proceeding involving such a dispute.

(j) Except as provided in subsection (i) of this section, this section shall not limit or impair any contractual, administrative, or judicial remedies otherwise available to a contractor or a subcontractor in the event of a dispute involving late payment or nonpayment by a prime contractor or deficient subcontract performance or nonperformance by a subcontractor.

(k) A contractor's obligation to pay an interest penalty to a subcontractor pursuant to the clauses included in a subcontract under subsection (b) or (c) of this section may not be construed to be an obligation of the United States for such interest penalty. A contract modification may not be made for the purpose of providing reimbursement of such interest penalty. A cost reimbursement claim may not include any amount for reimbursement of such interest penalty.

§ 3907. Relationship to other laws

(a) A claim for an interest penalty not paid under this chapter may be filed under section 6 of the Contract Disputes Act of 1978 (41 U.S.C. 605).

(b)(1) An interest penalty under this chapter does not continue to accrue—

(A) after a claim for a penalty is filed under the Contract Disputes Act of 1978 (41 U.S.C. 601 et seq.); or

(B) for more than one year.

(2) Paragraph (1) of this subsection does not prevent an interest penalty from accruing under section 12 of the Contract Disputes Act of 1978 (41 U.S.C. 611) after a penalty stops accruing under this chapter. A penalty accruing under section 12 may accrue on an unpaid contract payment and on the unpaid penalty under this chapter.

(c) Except as provided in section 3904 of this title, this chapter does not require an interest penalty on a payment that is not made because of a dispute between the head of an agency and a business concern over the amount of payment or compliance with the contract. A claim related to the dispute, and interest payable for the period during which the dispute is being resolved, is subject to the Contract Disputes Act of 1978 (41 U.S.C. 601 et seq.).
